

## Six Women Bowlers Injured In Crash, Three Still In Hosp.

Six Newmarket women, on their way to Stouffville for a lawn bowling game, were taken to hospital after a head-on crash on the Don Mills road Tuesday afternoon. Driver of the other car, Mrs. Clara Agnes Bate, 60, Cobourg, was killed.

The Newmarket women injured in the crash were Mrs. Jack Booth, driver, Mrs. C. F. Willis and Mrs. J. B. Macnab, front seat passengers, and Mrs. Norman Hopper, Mrs. James Sloss and Mrs. Ronald Watt. The entire front and motor of the Booth car was smashed.

The accident occurred on wet pavement near the intersection of the Stouffville side road and the Don Mills road, east of Gormley. The Newmarket car was travelling south, the Bate car north.

Provincial Constable Charles Case who investigated the accident said the northbound car driven by Mrs. Bate apparently swerved into the path of the Newmarket car on the slippery pavement and as the car turned back toward the right side of the road it was struck on the left front by Mrs. Booth's car.

A short distance from the scene of the accident was a sign warning drivers to take caution

when the road was wet. It had been raining before the time of the accident.

Mrs. Bate was thrown out of the far door of her car and into the ditch. Fronts of the cars were badly smashed but they stayed upright on the road.

A tow truck driving from Aurora to the scene of the accident was also in an accident and the slippery road was blamed. The truck skidded and turned over near the Bond lake turn on No. 11 highway. The driver, Hugh Middleton, 43, Aurora, was not injured. Trucks from Tulloch's, Aurora, and Geor and Byers', Newmarket, went to the scene.

Still in hospital are Mrs. Booth, Mrs. Willis and Mrs. Macnab. Mrs. Booth and Mrs. Willis are suffering fairly serious chest injuries and other minor injuries. Mrs. Booth received fractures in both feet. Mrs. Macnab is badly bruised and suffering from shock and lacerations.

## LIONS' EFFORT ON TICKET SALES FOR WELFARE FUNDS

The Newmarket Lions club is making a special appeal to residents to buy car tickets in the club's current fund-raising project.

The sale of tickets on a new car has not been going as well as expected, according to a club spokesman. A special effort is being made by Lions to increase the sale of tickets so that the club's service work may be carried on as it has been in the past.

During the past three months, the Lions have spent nearly \$800, according to a report on welfare work. The report includes hospitalization, \$300; milk supplied, \$58.60; glasses for children, \$78; groceries and dry goods for families in need, \$138; dental work, \$70; donations to other organizations, \$150.

The club will be holding a bingo at the arena on Friday, Sept. 26. The car will be presented to a winner at this time.

## PARENTS, TEACHERS TO MEET TUESDAY

A "Get-Acquainted" evening will open the season for the Newmarket Home and School association on Tuesday, Sept. 23, at 8 p.m., at the Prince Charles school. Parents will have an opportunity to meet their child's teacher as well as the parents of his classmates.

The staff of all the public schools in Newmarket will be present on Tuesday evening and Home and School executive members will introduce parents personally to their children's teachers.

An ideal background for children is formed when there is understanding between home and school, parent and teacher. Now, at the beginning of the season, before problems have arisen, is the opportune time for these groups, both vitally concerned with the welfare of the child, to become acquainted. For this reason, the Newmarket Home and School association has planned its informal program for the first meeting. Light refreshments will be served.

A cordial invitation is extended to the fathers and mothers of public school pupils to be present on Tuesday evening, Sept. 23. Come, meet your children's teachers and the other parents.

## COMPLAINS

Mayor Joseph Vale had a complaint about the new fire hall in Newmarket.

"There are no windows in the large doors and I can't look in at the fire trucks as I go by," he complained.

"Every citizen has a vested right to be able to peek in and look at the fire trucks," the mayor declared.

## COMING EVENTS

THURSDAY, SEPT. 18—Euchre in St. John's school, sponsored by Catholic Women's League. Prizes, refreshments. Time 8.15 p.m. Admission 35c. c2w37

FRIDAY, SEPT. 19—Dance in Holland Landing Community Memorial hall, 8.30 p.m. Geo. Mitchell's orchestra. Everybody welcome. Come and have a good time. Admission 50c. c1w38

FRIDAY, SEPT. 19—Big bingo in Queensville Arena, good prizes, time 8.30 p.m. Admission 35c, 2 cards. c2w37

SATURDAY, SEPT. 20—Bingo in Newmarket Town hall, sponsored by St. John's church. Jackpot \$125. Time 8.30 p.m. 15 games 25c. 1 special game. c1w38

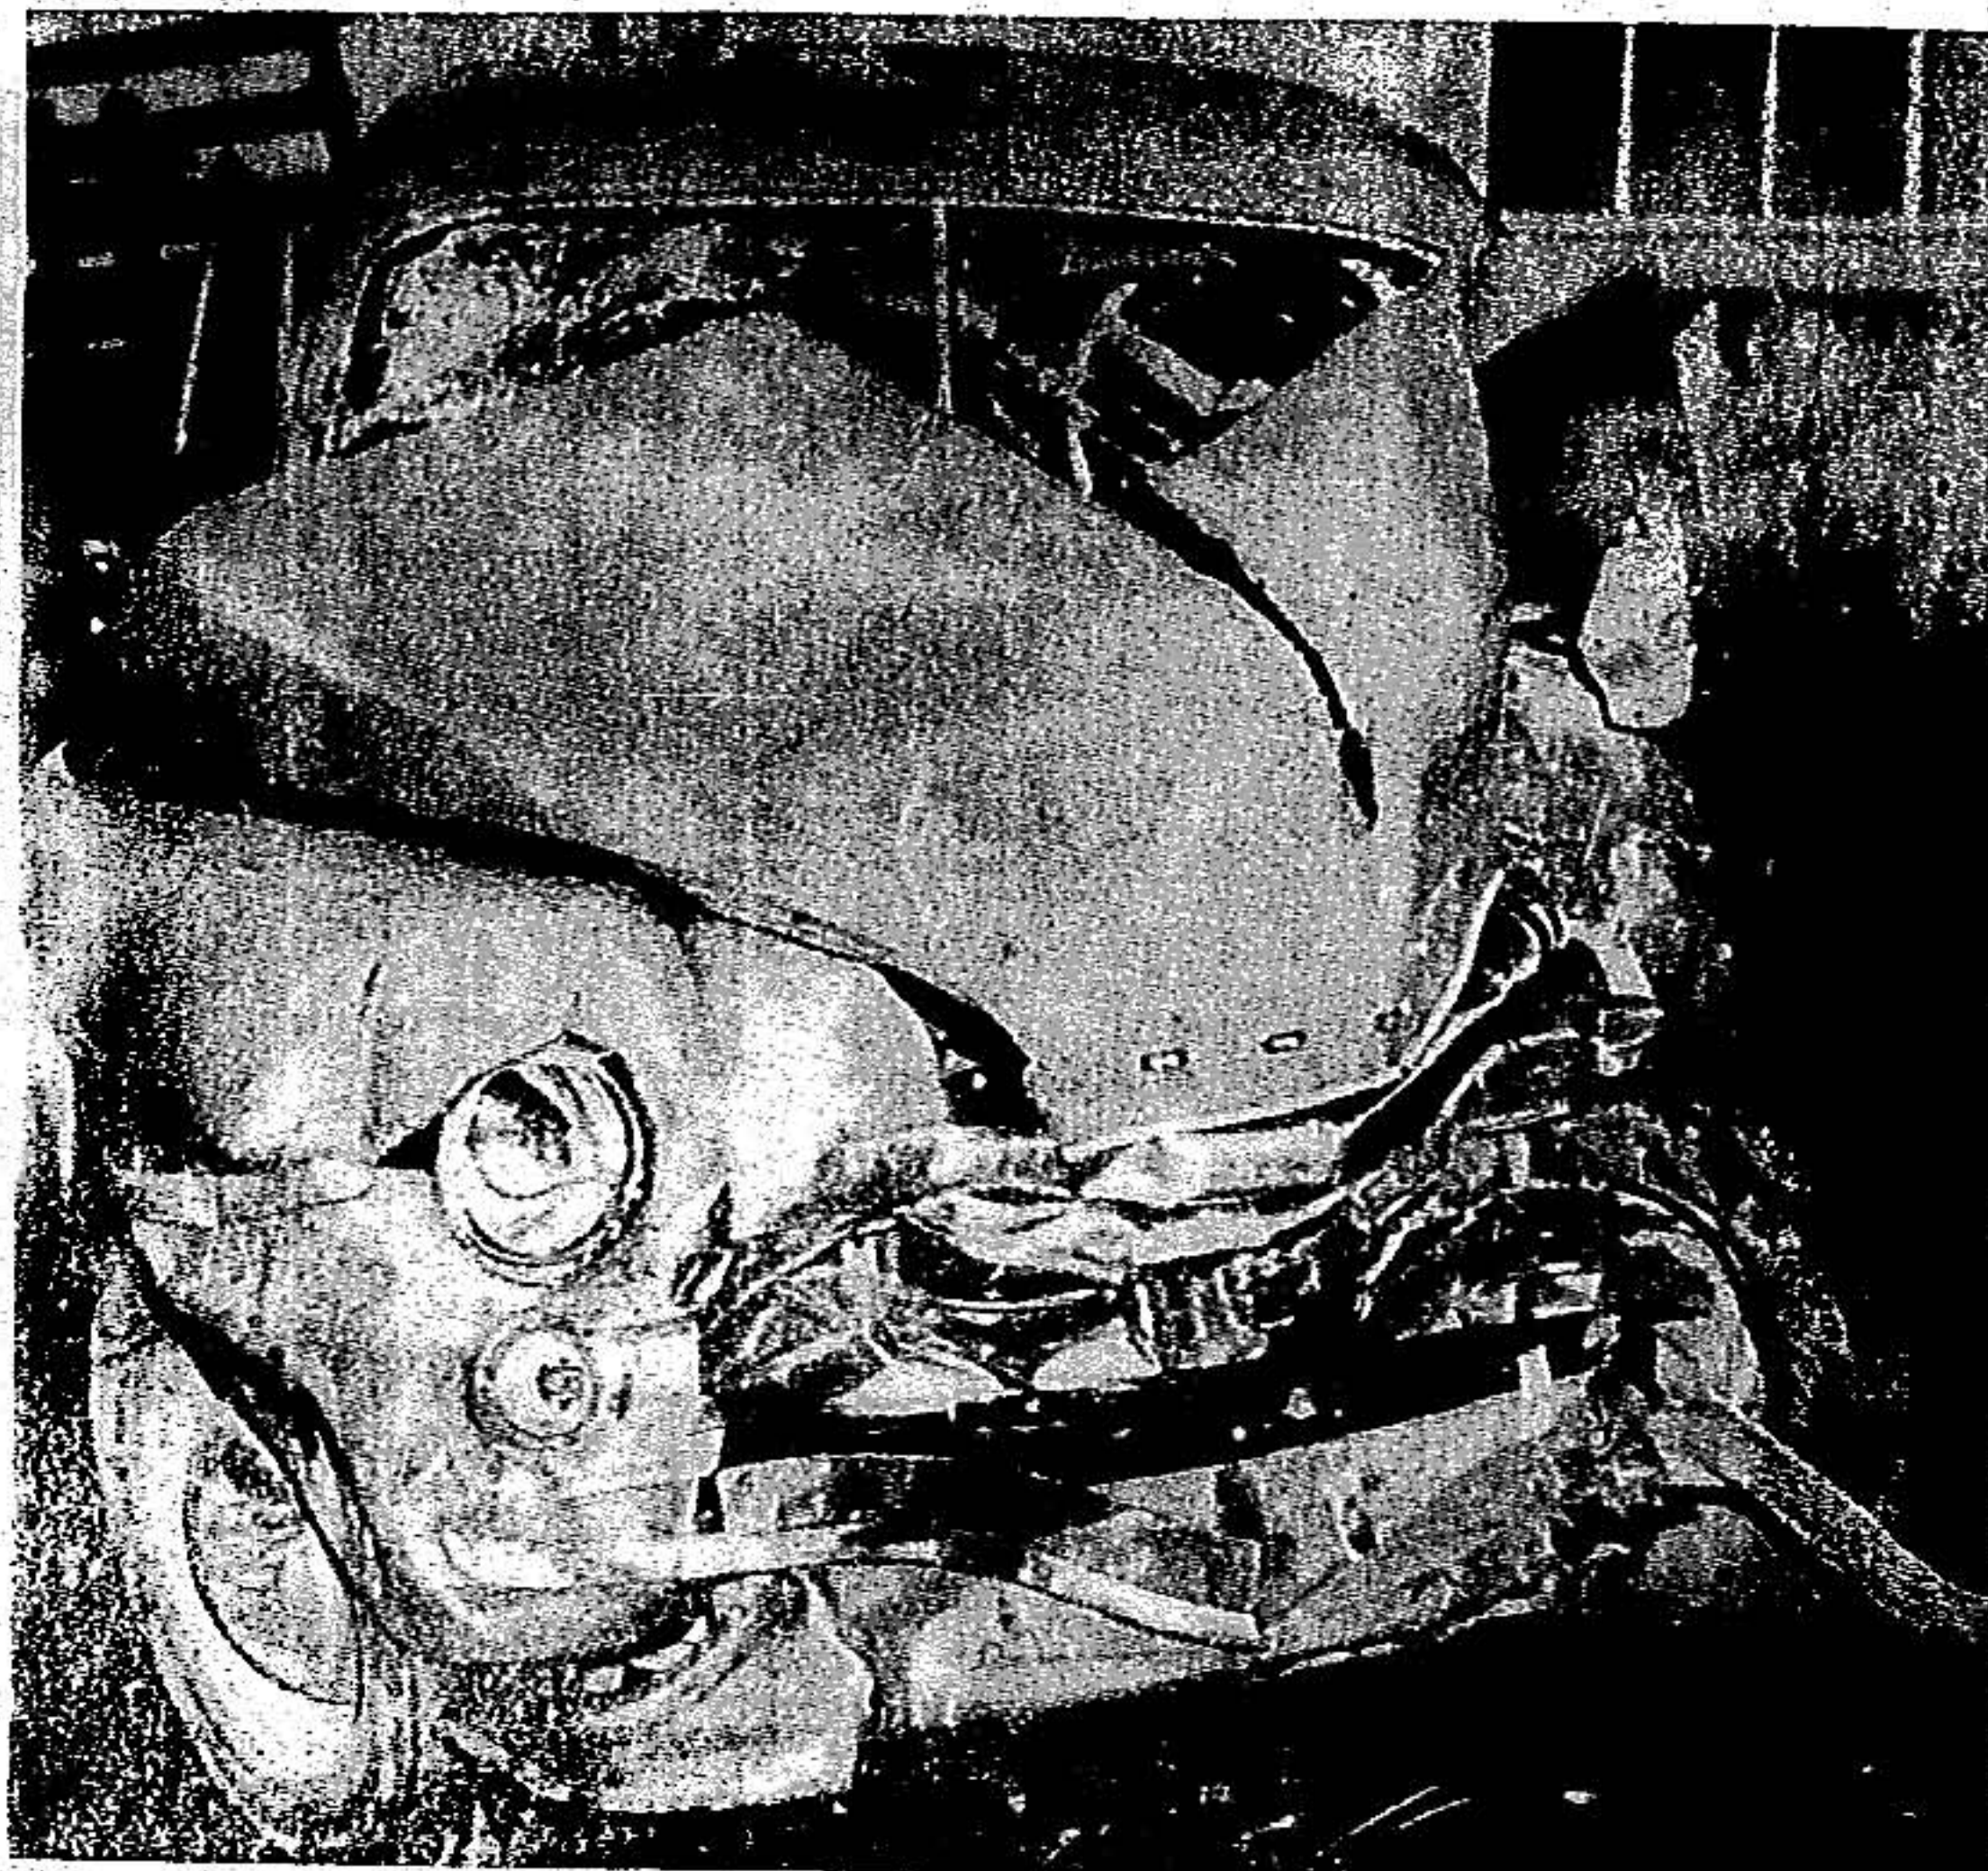

TUESDAY, SEPT. 23—Informal "Get-Acquainted" evening, Newmarket Home and School association, Prince Charles school, 8 p.m. Refreshments, Public welcome. c1w38

WEDNESDAY, SEPT. 24—Afternoon tea and bake sale at the home of Mrs. J. Gordon Cook, 25 Bostford Street, Newmarket, 3 to 5 p.m. Proceeds for York County Hospital Women's Auxiliary. Admission 50c. c2w38

WEDNESDAY, SEPT. 24—Bingo in Town Hall, Newmarket at 8 p.m., under auspices of Newmarket Veterans' Association. At least prize, \$5. Jackpot \$30. 20 games, 2 cards, 35c. c1w38

THURSDAY, SEPT. 25—The Evening Branch of St. Paul's W. A. will hold its used clothing and white elephant sale from 2 to 5 p.m., at the town hall, Newmarket. c3w30

THURSDAY, SEPT. 25—Bingo in Legion Hall, Aurora, at 8 p.m. 15 games 35c. Groceries as prizes. c1w38

Six Newmarket women escaped with their lives when this car, driven by Mrs. Jack Booth, was wrecked in a head-on collision on the Don Mills road Tuesday afternoon. On their way to a bowling game in Stouffville in the Booth car were Mrs. Booth, Mrs. C. F. Willis, Mrs. John Macnab, Mrs. Ron Watt, Mrs. Norman Hopper and Mrs. James Sloss. Another car swerved in front of them on slippery pavement, causing the accident. Still in hospital are Mrs. Booth, Mrs. Willis and Mrs. Macnab. The others, less seriously injured, are home.

## INJURED WHEN CAR FALLS FROM HOIST

With a badly fractured leg, Jack Sullivan, 29, Lake Wilcox, was taken to hospital when his car tumbled from a mechanical hoist in an Oak Ridges garage last Sunday evening. His limb was caught by the running board of the vehicle.

Sullivan was on a step ladder prepared to get into the car when the ladder slipped. When he grasped at the car, it turned over on its side, throwing him to the floor. Mr. J. Feck, garage owner, was on the opposite side at the time. The vehicle pinned Sullivan down. About 20 persons raised it from the unconscious man.

He was removed to the office of Dr. Crawford Rose, Aurora, and taken to York County hospital. Mr. Sullivan has three young children under school age. The car was damaged to extent of about \$300.

## HALLOWEEN DANCE

A Halloween dance will be held at the Newmarket high school auditorium on October 31. The dance is being sponsored by the Optimist Club of Newmarket to raise funds for boys' work.

## EDITORIAL

### Vote 'Yes' On Monday

We doubt if there has ever been a vote in Newmarket which was greeted with less enthusiasm than the votes on Monday for deputy-revee, and on the question of rebuilding Main St. The voters are inclined to dismiss the former as a mere formality and to ignore the latter because they believe that the question should never have been put before them in the first place.

And rightly so. A decision on rebuilding Main St. was the responsibility of council but against the opposition of three council members, Reeve Arthur Evans and Councillors Lorne Paynter and Charles VanZant, council voted to let the public decide instead. It was a clear-cut instance of council abdication of its duties.

We strongly suspect that a good many voters will vote against their convictions, that the work should be done, or not vote at all, simply to let the council know how they object to this refusal to accept responsibility. As personally gratifying as this may be, it will not give Newmarket the Main St. it should have.

There's every reason that the work should be done at once. There are the grants from the county and province, the rising cost of maintenance, the present condition of the street and the fact that the longer the job is delayed, the more it will cost. There's not a citizen in Newmarket who does not accept these basic truths. Even the members of council recognize them.

We urge every voter to mark his ballot in favor of rebuilding Main St. Then, if they are still annoyed with council, mark their ballots accordingly at the annual elections in December.

## HOSP. AUXILIARY TEA WED. SEPT. 24

Mrs. J. Gordon Cook has graciously opened her home for an afternoon tea to be held on Wednesday, Sept. 24, 3 to 5 p.m. The tea is under the auspices of the York County Hospital Women's Auxiliary. Mrs. John Dales is general convener.

There will be a sale of home baking. Mrs. W. M. Cockburn is in charge of the bake table.

Since its reorganization, the Hospital auxiliary has contributed to the local hospital through the purchase of medical supplies and surgical equipment.

## PAYS OFF TAXES IN OLD STAMPS

A Toronto man who owed the township of East Gwillimbury a sum of money for taxes, recently paid off the debt to the clerk and tax collector, J. L. Smith, in old postage stamps.

In the collection of stamps were a large number of World War I vintage, bearing a picture of Sir Robert Borden. Another set issued in the thirties, under the name of the Prince of Wales. The remainder were during the reign of the late King George VI.

The only other unusual tax payment Mr. Smith had heard of was when a man paid his taxes with pecan nuts in California.

## VANZANT STATES: 'YES' VOTE NEEDED FOR MAIN STREET

"I strongly urge that the citizens vote in favor of rebuilding Main St.," said Councillor Charles VanZant this week. Mr. VanZant was one of the three members of council who voted to go ahead with the project without submitting it to a public vote.

"The work must be done sooner or later," said Mr. VanZant. "The longer we wait, the more expensive the job will be. At the present time, we are sure of financial assistance from the county road commission. We can't be sure of that assistance after this year. If we wait, we may have to pay the whole cost of the work."

He pointed out too that by doing the job now, the cost of a growing amount of maintenance work would be saved. "That money spent on maintenance is simply wasted money; it has to be spent each year without anything more resulting than a temporary patching job."

He pointed out too that by doing the job now, the cost of a growing amount of maintenance work would be saved. "That money spent on maintenance is simply wasted money; it has to be spent each year without anything more resulting than a temporary patching job."

There are important things going on at county council. You people deserve a representative there. I humbly offer to be your representative. He added that he had served three years on Newmarket council. "The Main St. matter is largely a technical one," said Mr. Dales. "The engineer is here to answer

## Four Candidates Stand For Deputy In Monday Vote

The nomination meeting to name candidates for Newmarket's deputy-revee last Friday night brought 86 people to the town hall. Four men were nominated in this order: Herb Gladman, who served on council a number of years ago, Harry Goodman and two present councillors, Joseph Dales and Lorne Paynter.

Many who attended said that as a nomination meeting, it was disappointing.

There was little open discussion about the vote on the Main St. project. Although the meeting was well publicized and the public was urged to ask questions about doubtful technicalities on the Main St. project to pave, widen and make other improvements to the street; few were asked.

The election for the deputy-revee's office will be held on Monday and on the same day the ratepayers will be asked to vote "yes" or "no" to the Main St. improvement proposal.

Nominations in the following order were: Herb Gladman by Delbert Gibney and C. G. Wainman; Harry Goodman by James Otton and Isha Goodman; Joseph Dales by Chester Best and Robert Chadwick and Lorne Paynter by Dick Rupke and R. C. Morrison.

Candidate Gladman said, "It is with a feeling of humility that I offer myself as a candidate for deputy-revee. It is a long time since I have acted in municipal affairs.

"The town is either committed or will have to commit itself to heavy expenditures for a long time to come," he said. He favored the Main St. project and added, "I hope the ratepayers see fit to vote for it when so much financial help is available at the present time. It is surprising that the street has lasted as long as it has. When that street was paved, sand gravel was poured in and only a 'hot top' was covered over it.

"Anyone who promised certain economies for the municipality on the platform would only be fooling himself and everyone else in these difficult times. We are in the midst of heavy costs and difficult municipal financing," he said.

He said it would be a difficult task to take over the office with the confidence to do the job as well as the late J. L. Spillette. All four candidates paid tribute to Mr. Spillette and his work on town council and county council. Candidate Harry Goodman charged that the election for a deputy-revee was not necessary. "Council could have carried on until the end of the year without an election," he said.

"I believe that no miracles can happen between now and the end of council term. Let's hold down our taxes," he said. "There are certain things which can stand improvement and with the rise in cost of living it is understandable that cost of repairs and taxes go up in proportion but let's keep the taxes down."

"I am for more industries. I hope to get them even if we must give concessions and free land. We can do that as long as we get certain taxation from them, especially school tax. Further, I am in favor of more advertising of the town."

On the Main St. proposal, Mr. Goodman said, "I believe that \$104,000 may not cover the cost. We don't know the condition of the sewers or of the water mains. I have had no experience in municipal affairs but I have enough business experience to fear no man who opposes me. I hope to get elected but I know that no man can do miracles in six or eight weeks," he said.

Candidate Joseph Dales said, "I do not have to attempt to justify the municipal act which governs us in the calling of an election. The mayor called it; there was no way of getting around it. Without an election, council would not be legally constituted."

"If you, the electors, see fit to elect Mr. Paynter or myself, there will be a vacancy on council. The only way of filling the vacancy would be to have another election for councillor. To lack a vote on council is not a serious matter but to lack a representative on county council is a serious thing," he said.

"There are important things going on at county council. You people deserve a representative there. I humbly offer to be your representative. He added that he had served three years on Newmarket council.

"The Main St. matter is largely a technical one," said Mr. Dales. "The engineer is here to answer

questions. Why was it put to a vote? I believe that time and again the people should be consulted. I felt that this was an ideal time to do it.

"Too often in the past councils have forced their will by saying 'I know what's best for you, you should spend your money this way'. It was a short cut. The municipal board has the power to dispense with a vote. I doubt if the municipal board would have let this controversial issue go by without a vote.

"The reason no money has been spent on the road is that the county knows it is going to be turned back to the town," he said. "I am in favor of the Main St. being done in this fashion and that we work 24 hours a day to get it done."

"Suppose you, the electors, say 'no'. This will come up again. If it became a town road, there would be a contribution available of \$48,000 from the provincial government plus the \$40,000 which goes to the county, a total of \$88,000 if it comes back to us. "Perhaps we could get an alternative grant from the county on something else, possibly the hospital," Mr. Dales concluded.

## Civil Defence Planned To The Last Detail, But No Financial Aid

Civil defence planning for the Toronto and York County area has been completed down to the smallest detail. Reeve Arthur D. Evans who has attended many organizational meetings on civil defence showed council an extensive committee report Monday night.

Key personnel are named even in the smallest centres, including Newmarket which is in the "Mutual Aid and Reception Area". Some defence personnel have even started courses in civil defence training.

"Everything has been completed in the organization of civil defence," said Mr. Evans. "There is only one trouble; we have no means of financing the schemes."

Mr. Evans said that both federal and provincial governments have been asked for funds. So far the federal attitude is that the financing is up to each municipality. Millions of dollars, for instance, would be required for the Montreal area.

Deputy controller in the public works service division for Newmarket is Denne Bosworth, town engineer.

"The civil defence measures which could be taken, would be a great thing in case of any kind

## OPT-MRS. GUESTS OF OPTIMISTS AT DINNER MEETING

The Newmarket Optimist club held ladies' night at the King George hotel Tuesday night. Special guests of the club were Optimists' wives, members of the newly formed Opt-Mrs. club. Mrs. Don Warner is president of the women's club.

Guest speaker was Miss Gwen Jones, sister-in-law of Arthur Hurst, who was three years general manager of the Max Factor Co. in Hawaii. She described the Hawaiian Islands and showed movies taken there. She will leave soon on a world tour to set up field training sales schools.

## RECEIVES BURSARY

Bill Wilson, 10 College St., Newmarket, has received the Dominion Provincial Student Aid Bursary for \$400. He plans to attend Trinity College at the University of Toronto this year.

## PHOTO WINNER

Arthur Hare, whose farm extends over the high ground above the Holland Landing curve on Yonge St., was the Lucky Farm Photo prize winner last week. The farm was photographed from the west side. This week's lucky photo appears on page 13.

## Runaway Freight Cars In Dash Aurora, Newmarket To Bradford

Two runaway freight cars rolled at an estimated 50 miles an hour from Aurora, through Newmarket, to Bradford Monday night, covering 14 miles without an accident. They were seen by only a few and luckily passed many level crossings without mishap.

Most people, in this mechanical age, accept trains, automobiles and planes. There are few who are still stirred by the sight of a train that roars through town. But those who witnessed the flight of the two freight cars enroute north just after dark, without benefit of locomotive, were suddenly startled into alert attention.

One witness, Maj. N. P. Kelley, Prospect St., who happened to be at Newmarket station at the time, said that he and a railroad employee heard a roar from the south. The employee suggested they step back off the platform, that it might be a small freight travelling backwards. The witnesses were startled, to say the least, to see the apparition hurtling along without lights.

They had been left on a siding

at Aurora. One was heavily loaded and they apparently rolled onto the main track by themselves.

The cars shot past Davis Dr., Newmarket, as the wig-wag signal clanged the warning. It was fortunate that no automobiles approached the crossing at the time. Many drivers see the signal and look up and down the tracks. If they see no train light, they take a chance and rush across. A driver would have seen no light in this case.

At Bradford, they came to the end of their journey as a crewman successfully leaped from a train in the yards and braked the runaway pair.

No damage was reported by the phantom train. All signals worked on level crossings as it approached, as far as is known.

Complaints have been registered by people near the tracks, that a train passed through without lights, without whistling and at an excessive speed.

One resident has made the "dry" comment that everything "on the loose" heads for Bradford.

**ZEPHYR**

Mrs. McLennan and Miss Nan McLennan of Toronto visited at the home of Mrs. A. B. Lockie on Sunday.

We wish to correct a mistake made in our expression of sympathy for the Cain family last week. Mrs. Geo. Cain should have read Mrs. Herb. Cain. We offer our apologies for this error.

Mr. D. Graham and Mr. Stewart Graham visited Mr. and Mrs. McCarrick, Verdun, Quebec, last week. Mrs. Graham is spending a few weeks with her daughter and family there.

**Temperanceville**

The Garden Brigade Girls of Temperanceville with Mrs. Everett Phillips as their competent leader, attended the achievement day in Newmarket on Saturday, Sept. 13. The five girls, Misses Irene and Isabel Mashinter, Miss Edna Christenson and Misses Margaret and Florie Beynon have completed their three years work. Three of the girls, Irene, Edna and Florie, received their county honors in the form of a certificate and pin. Congratulations girls.

Miss Florie Beynon has secured a position as teacher at Duncalr, North of Schomberg. There are 34 pupils in her school. The Women's Institute resumed their monthly meeting on Sept. 10 when the members gathered at the home of Mrs. Maurice Beynon. The roll call, "An Item of International Interest," created much interest. During the business period, a letter of appreciation from our sister institute in Scotland was read regarding cake mix sent their institute. A receipt for \$50 for the support of the "Save the Children Fund" was received. The members voted a donation of \$25 to the York County hospital.

In October the members are asked to bring a donation of pickles or fruit to be given to the hospital. Please keep this fact in mind. The October meeting of the W.I. will be held on October 22 rather than the 8th. There will be films shown on Cancer Research in the church basement at this time. All members are asked to invite a guest for this important occasion. The date of the short course "What makes a good officer" has been set for January 16.

Mrs. Nelson Thompson has been elected delegate for the convention at the Royal York on Nov. 5, 6, 7.

The program convenor, Mrs. Bowen, had a very interesting program planned on "Citizenship and Education". Mrs. Berton Palmer read an article on "We are the immigrants". A paper on Citizenship was read by Mrs. Roy Bowen. The lovely solo, "This is my task," was sung by a guest, Mrs. Robson, accompanied by Mrs. Charles, both of Teston. Miss Betty Beynon favored the group with a piano selection. An oral contest conducted by Miss Bowen contained education and humor. Mrs. Nelson Thompson, Mrs. Doris Davis and Miss Margaret Beynon served a delicious lunch.

Friends of Mrs. Howard Patrick of Aurora, were shocked to hear of her illness but we are happy to report she is feeling

better after the operation. Mrs. Thomas Dobb is to be congratulated on her success in the baking class at the C.N.E. She won a first for shortbread and second for macaroons.

Mr. and Mrs. George Phillips were guests of Mr. and Mrs. Everett Phillips for Sunday supper. Mr. Thomas Mashinter is still confined to his home after receiving a leg injury. It is hoped improvement will soon be evident. Mr. and Mrs. Gordon Baldwin are holidaying in the north.

October 8 is the date of the turkey supper at Temperanceville church. Get your ticket early from members. Admission is by ticket only. Do not be disappointed by leaving your purchase to the last minute.

**KESWICK**

Mr. and Mrs. Murray Hobson and son, Willowdale, were weekend guests of Mr. and Mrs. R. Hobson.

Mr. and Mrs. Roy Cowieson, Toronto, returned home on Monday after enjoying some holidays at their son's cottage, Keswick Beach.

Miss Dorothy Lee, Toronto, spent Sunday with her friend, Mrs. J. J. Cameron, who is ill. Miss Roslyn VanNorman, who is teaching in Toronto, was at home for the weekend.

Mr. and Mrs. A. E. Agar have returned after a holiday trip to Haliburton and points north.

Last week's heat brought the weekend traffic to the lake as heavy as in the summer. Most of the Keswick Beach cottages were open over the weekend.

The September meeting of the W.C.T.U. was held at the home of Mrs. Wilder. Three splendid devotional topics were given by Mrs. Marritt, Mrs. Boothby and Mrs. Winch. All three stressed the thought that people and nations need more faith, making essential in the lives the two great commandments of love.

A dainty lunch was served by the hostess. The Mothers' Day meeting is to be held in the United church on October 27 at three o'clock. Guest speaker will be Mrs. Chalk, superintendent of moral education for the province.

Mr. and Mrs. Ike Waldon and Mr. and Mrs. Samuel Harron of Toronto left on Friday for a trip to New York and other points in the U.S.A.

We are glad to see Mrs. Elmer King is home from the hospital and is improving.

Mrs. Barton Ward is visiting her daughter, Mrs. Earl Weddel, in Newmarket for a few days.

**PINE ORCHARD**

Friday, Sept. 19, is the date of the opportunity sale at Union church, under the auspices of the Willing Workers. Used and new clothing, quilts, home-made bread, buns, cakes and candy, white elephants, will be offered for sale from 2 to 9 p.m. Afternoon tea will be served. Come and bring a friend and spend the afternoon with the Willing Workers.

Mr. and Mrs. Rae McClure and family spent the weekend at Thornbury with Mr. and Mrs. W. Whitfield.

Anniversary services will be held at the Union church on Sunday, Oct. 5, at 11 a.m. and 7:30 p.m. Anniversary supper and annual meeting of the church will be held on Monday evening at the church.

Mrs. Don Pelch of Markdale was a weekend guest of Mr. and Mrs. Howard McClure.

Mr. and Mrs. Howard Haines are building a home on a lot on the Sheridan farm.

**SCHOMBERG**

Mr. and Mrs. Ed Wood of Kettleby spent Sunday with Mr. and Mrs. Oriole Sloan.

Mr. and Mrs. Walter McIntosh of Shelburne visited with Mr. and Mrs. Wilfred Aitchison on Sunday.

Quite a number from here attended the anniversary services at Second Baptist King church on Sunday last.

We are pleased to see Mr. Pat Ford out and able to drive his car again after a bad attack of Hugh McGuire, over the weekend.

Mr. Donald Skinner of Toronto spent the weekend with his parents, Mr. and Mrs. Blake Skinner.

Mrs. Annie Forhan was taken to Newmarket hospital on Thursday for treatment. We wish her a speedy recovery.

Mrs. Trevor Graham and daughter and Mrs. Burnel Graham visited with Mrs. Wm. Sutton at Markham recently.

Mr. and Mrs. Bruce McGuire of Toronto visited with the former's parents, Mr. and Mrs.

**Queensville News**

Congratulations to Mr. and Mrs. Lee (Greta Cole), who were married in the United church on Saturday afternoon.

Friends will be sorry to hear that Mrs. Bessie Scott fell and broke her hip and is now in York County hospital, Newmarket.

A T.B. x-ray clinic will be held for our community and surrounding district in a mobile unit at Queensville United church on Friday, Sept. 26, from 1 to 9 p.m. This is a splendid opportunity for a free chest x-ray and each one is well advised to avail himself or herself of this worthwhile service. Children under 6 years will not be x-rayed, and children from 6 to 12 must be accompanied by parents or guardians.

Anyone wishing to have a free diabetic test may have one at the same time as the x-ray clinic.

Miss Pat McFarquhar left on Monday to attend Ryerson Institute, Toronto.

Mr. Doug Smith left on Tuesday to attend Queen's University, Kingston. We wish both these young people success in their new field of learning.

Mr. and Mrs. Ralph Doane and David of Toronto spent the weekend with Mr. and Mrs. Chas. Doane.

Sunday guests of Mr. and Mrs. John Morrill and Mr. Fred Wilson were Mr. and Mrs. Percy Reynolds and Mildred of Bond Head, Messrs. Harry and Russell Lewis of Schomberg, and Mr. and Mrs. Carman Wilson of Kettleby.

Mrs. Pearl Wilson from St. Andrew's College spent the weekend with Mrs. J. Morrill.

Mr. and Mrs. H. Ace and girls moved to Jersey on Saturday.

Mr. and Mrs. Byron Aylward spent the weekend with Mr. and Mrs. Elmer Stickwood of Gilmore.

Mr. and Mrs. Orlan Church and family of Vineland Station spent the weekend with Mr. and Mrs. F. Winger.

**Vandorf News**

Rev. Harold Moddle and Mrs. Moddle and baby son David, of Alberta, are spending their holidays with their parents, Rev. E. C. Moddle and Mrs. Moddle, Aurora. Harold was guest speaker at Wesley United church last Sunday and it was a great pleasure hearing him again.

Mr. A. Thaxter and Miss Marie Thaxter, Uxbridge, Mr. and Mrs. Harvey Ewen and Margaret, were Sunday guests of Mr. and Mrs. J. Irwin.

Mr. and Mrs. J. Sullivan and Miss Louise Carroll attended the dog show at Markham last Saturday. The Sullivan dog, "South Down Lucky May," was a winner, female class.

Congratulations to the Sullivans whose dogs won 23 prizes, most of which were firsts at the C.N.E.

Mrs. Ross Sheppard, Toronto, spent a few days last week with her mother, Mrs. A. Wright.

Mr. and Mrs. Harvey Wright, Maple, and daughter, Susan, spent last Monday with Mr. Wright's mother, Mrs. A. Wright.

Mr. and Mrs. Bert Baber had Sunday tea with Mr. and Mrs. Gordon Burch, Newmarket.

Mrs. Ernest Preston visited her sister in Detroit last weekend.

Mr. and Mrs. Donald Scott, Yvonne and Bobby had Sunday tea with Mr. and Mrs. Howard Norton, Bogartown.

A committee meeting was held on Monday evening at the home

**ANSNORVELD**

Mr. and Mrs. R. Havinga of Windsor spent a few days at the home of Mr. and Mrs. T. Miedema.

Mr. and Mrs. S. Fisher attended the wedding of Mr. Jack Turkotra of Hamilton last week.

Mr. K. Miedema was rushed to Newmarket hospital following a collapse on Saturday evening. Another patient at the hospital is Mr. A. Havinga. We wish them both a speedy recovery.

Mrs. R. Matthews is home again after being a patient at Western hospital in Toronto for the past three weeks. We are glad to hear that her condition is improved.

Miss H. Matthews and Mr. S. Van Dyke visited Mr. and Mrs. M. Havinga in Toronto on Sunday.

The hot weather of the last few days has proved to be the main topic of conversation and most people are looking forward to a little cooler weather.

**HOPE**

Anniversary services will be held in Hope United church on Sunday, Sept. 21, at 11 a.m. and 7:30 p.m. Rev. W. Thorndike, Zephyr, will be the guest speaker. Music will be provided by the Junior choir in the morning and duets by Angus Morton and Miss Black, Toronto, in the evening.

Mr. Will Shields is under doctor's care. We wish him a speedy recovery.

Mr. and Mrs. Eugene Barker, Columbus, Ohio, were guests of Mr. and Mrs. George Barker last Saturday.

Miss Amy Gibson, Newmarket, spent the weekend with Mr. and Mrs. Joe Gibson.

Mr. and Mrs. Lloyd Redman and Bruce, Acton, were guests of Mr. and Mrs. Joe Gibson on Sunday.

**AVIATION OFFERS YOU A FINE CAREER****R.C.A.F. RECRUITING IN NEWMARKET**

**"How much AM I WORTH?"**

This little pig will be worth about \$40.00 when he is marketed. How much profit he will make for the farmer depends upon how long it takes the farmer to get him to market and HOW MUCH FEED HE HAS PUT INTO HIM.

Many tests have demonstrated that SHUR-GAIN fed hogs go to market on 700 lbs. of feed OR LESS in 5 to 6 months. Straight grain fed hogs take much longer and require about 400 lbs. more feed.

Feed SHUR-GAIN Hog Feeds to one litter and you will see that SHUR-GAIN saves and makes you money.

Our readers write

Letters to the editor are always welcome but the names of  
the writers must be known to the editor.

The Editor: Today, a letter  
was issued through the mails by  
the mayor of our town, setting  
out in a general manner the cost  
of rebuilding Main St.  
In a recent editorial in your  
newspaper you extolled the vir-  
tues of rebuilding Main St.  
I believe that all of the mem-  
bers of council are in agreement  
with the need of rebuilding Main  
St.

With this viewpoint, a major-  
ity of the people of Newmarket  
would likely be in agreement.  
So far we are one happy family.  
When it comes to the method  
of paying, it does not seem too  
fantastic to suggest that a ma-  
jority of the taxpayers of our  
town disagree with the issuance  
of a debenture to be paid by an  
estimated increase in the gen-  
eral tax rate, to all the people,  
of two mills this estimate being  
contained in our mayor's letter  
to the taxpayers.

Let us say that I or any other  
of the taxpayers should happen  
to own a home on Hamilton St.  
or any other street in which we  
live and on which we pay taxes.

Let us suppose that we own an  
apartment building or another  
house or houses in another part  
of town, these extra properties  
being owned to carry on a ren-  
tal business at a profit. If pay-  
ment is required in front of these  
business properties, the general  
taxpayer is not requested to pay  
an increase of two mills on his  
tax rate to finance this pave-  
ment. The property owners on  
that particular street circulate a  
petition requesting the town to  
pave. If a majority of names  
are affixed to this petition, the  
pavement is placed.

In the light of these circum-  
stances, the vote on the rebuild-  
ing of Main St. under the gen-  
eral tax rate increase, should be

a resounding NO.  
We, the general taxpayers,  
know that immediately this "no"  
vote is registered, our fine, pub-  
lic spirited merchants of Main  
St. will immediately circulate a  
petition to rebuild the sidewalks  
and pavement in front of their  
places of business, especially  
when they are being donated 22  
feet of pavement by the T. & Y.  
R. C. and \$48,300 by the Province  
on Ontario.

In brief reference to the other  
matter on the vote, the election  
of a deputy-revee, this matter  
should most certainly be placed  
before the people for a majority  
vote. The members of our  
council are elected to represent  
the people of Newmarket. They  
are not elected to tell the people  
who shall represent them (the  
people) on our local govern-  
mental bodies. Dictatorship of  
the central body can rear its  
head in strange places.

Thanking you for space in  
your esteemed paper,  
Yours truly,  
N. F. Garrett,  
19 Hamilton St.

Editor's Note: The question of  
whether to do the Main St. work  
by local improvement plan was  
raised earlier in council. Orig-  
inally, it had been planned to do  
it by local improvement but it  
was pointed out that the prov-  
incial government grant would  
then be paid only on the town's  
share. It was also maintained  
that Main St. is a community  
street and its cost should be a  
community cost.

OBITUARY  
Mrs. E. V. Rowland

Elizabeth Viola Rowland, for-  
merly Elizabeth Viola Starr,  
passed away in Vancouver, B.C.,  
on September 1, after a linger-  
ing illness. Mrs. Rowland, in  
her 80th year, was born in Whit-  
church, the daughter of Francis  
Starr and Mary Cody. She later  
married John David Rowland  
who predeceased her in 1928.

Mrs. Rowland came from her  
home in Bogartown to teach  
school in Mount Albert at No. 7  
Scott, and it was here she met  
Mr. Rowland. After their mar-  
riage they lived in Mount Albert  
for many years where Mr. Row-  
land was in business.

Mrs. Rowland was a United  
church member and was a great  
worker in W.M.S. both at Mount  
Albert and at Trinity church,  
Newmarket. She was also the  
first president of the Mount Al-  
bert Women's Institute which  
was organized at her home.

Some years ago Mr. Rowland  
left Mount Albert to go into  
business in Newmarket. After  
his death she remained in New-  
market several years then went  
to Vancouver to make her home  
with her son Morley.

Surviving to mourn her loss  
are her sons, Stuart of Kam-  
nas City, Morley D. of Vancouver;  
daughter Eileen (Mrs. MacAr-  
thur) of St. Thomas, and six  
grandchildren.

The funeral service in Vancou-  
ver was conducted by Rev. Har-  
old Clugston, who had formerly  
been Mrs. Rowland's pastor at  
Mount Albert. Rev. McMath of  
Newmarket conducted the fun-  
eral service at the Chapel, Mt.  
Albert. Interment was made in  
Mount Albert cemetery.

HOLLAND LANDING

Mr. H. W. Tones is under the  
doctor's care. Friends wish him  
a speedy recovery.

Mr. and Mrs. Percy Randle  
and baby Ruth spent the week-  
end with Mr. and Mrs. J. F. Kit-  
ching.

Mr. and Mrs. Andrew Quarry  
and family of Guelph visited  
Mr. and Mrs. M. G. Evans last  
Sunday.

Mrs. E. J. Chapman of Lea-  
side spent a few days with her  
sister, Mrs. M. G. Evans, this  
week.

The junior room - was closed  
Thursday and Friday last week  
because of the illness of the  
teacher.

Mr. and Mrs. Percy Jaques of  
Holland Landing will be "at  
home" to their friends and  
neighbors on Saturday after-  
noon, Sept. 27, from 3 to 5  
o'clock, on the occasion of their  
golden wedding anniversary.

Celebrating with them at a  
dinner on Sunday will be their  
family, Mr. and Mrs. Morley  
Jaques, Hamilton; Mr. and Mrs.  
Alex Mitchell, Drayton; Mr. and  
Mrs. Orville Jaques, Holland  
Landing; Mr. and Mrs. William  
Hopson, St. Catharines; Mr. and  
Mrs. Ivan Jaques, Hamilton; Mr.  
and Mrs. Geo. Taylor, Toronto;  
Mr. and Mrs. Ronald Jaques,  
Holland Marsh, and their 15  
grandchildren.

The September meeting of the  
Holland Landing Home and  
School Association was held on  
Monday, Sept. 26, at the school  
with 60 present. The feature  
of the program was an address  
by a member of the St. John's  
Ambulance Corps.

After the address, a motion  
was made that the course given  
by this group be sponsored by  
the association. The motion was  
carried, after which 23 people  
signed up to take this course  
which is to take the form of  
seven two-hour lectures to be  
given once a week. These lec-  
tures began on Wednesday,  
Sept. 17.

During the social half hour  
which followed the adjournment  
of the meeting, the new teachers  
were introduced to all present.

OBITUARY

Harry M. Hill

Following an illness of some  
months Harry M. Hill, passed  
away at his home on Victoria  
St. Newmarket, on Saturday,  
August 30 and was laid to rest  
in the Newmarket cemetery on  
Sept. 2.

Surviving to mourn his loss  
are his wife, Edith Lisle Rush-  
brook, two sons, Glen of Udonia  
and Bruce of Newmarket, as  
well as two sisters and a brother,  
Mrs. Wm. Hall (Marion) and  
Mrs. Fred Waite (Eleanor), both  
of Toronto and Mr. Frank Hill  
of Little Britain, also four  
grandchildren.

Born on the Prior farm on  
Srigley St. the son of the late  
J. A. (Fred) Hill and Eliza A.  
Robinson, he always took a keen  
interest in agricultural events  
particularly in fairs where he  
followed the judging very closely  
year after year. After at-  
tending one of the first Junior  
Farmer agricultural short courses,  
he was a member of the York  
County livestock judging team  
that won the provincial cham-  
pionship in 1916. For several  
years, he acted as a judge for  
the Ontario department of agri-  
culture at school fairs. Mr.  
Hill always farmed in the vicin-  
ity of Newmarket, taking over  
the homestead a mile north of  
Aurora after the death of his  
father until he retired to New-  
market some six years ago.

The funeral service in the  
Roadhouse and Rose Chapel, in  
charge of his rector, Rev. J. T.  
Rhodes of St. Paul's Anglican  
church, was largely attended,  
with the following acting as pall-  
bearers: Norman Crone, Sidney  
Legge, George Blackwell, Fred  
Smith, Walter Proctor, all of  
Newmarket and Sim Graham of  
Aurora.

The average Canadian weekly  
wage is now \$50.04 for a 41.5  
hour week.

RAVENSHOE

Rally service on Sunday, Sept.  
21, at 3 p.m. Everybody wel-  
come.

The W.M.S. will be held at the  
home of Mrs. Ralph Holborn on  
Thursday, Sept. 25, at 8 p.m.  
The anniversary services will  
be held on Sunday, Sept. 28,  
with Dr. Hunnisset of Toronto  
as speaker and John Graves as  
soloist. He is a radio boy so-  
prano.

Morning service will be at 11  
o'clock and evening service at  
7:30. Keep this date in mind.  
Mrs. Alan Crocker of Shel-  
burne is visiting Mr. and Mrs.  
Irvine Rose.

**New Location**  
Evans Fuels have moved from 10 Timothy St.  
to 6 Timothy St. West, Newmarket, next to  
Broadbent's Bakery.

## Pages from the Editor's Notebook

We've had another old photograph of Fairy Lake which demonstrates the value it had to the residents of Newmarket around the turn of the century. The photograph shows three boys on a make-shift raft, their faces split with grins as they pose for the photographer. In the background is twice the expanse of water that the lake now has.

We don't think it would take too much effort to make the lake what it was. A good many people are showing interest in the articles and pictures we have printed about the lake. Out of that interest we expect some effort will be made to organize a campaign to clean up the pond. There's no shortage of suggestions for doing it. Just about everyone has his pet remedy.

Laurie Cane, the former postmaster, recalls that the dam used to be higher, about a foot, he calculates. If the dam were raised to its original height, the increased water surface would cover a lot of the unsightly mud and weeds along the bank. Wes Squires has what he thinks is a sure-fire remedy for the algae which covered the surface. It is simple and inexpensive.

The family of mallards which made their home in the south end of the lake and who hit the headlines when they went over the dam and had to be rescued, seems to be thriving. We've had reports of much activity around their home nest.

We picked up an elderly gentleman who was thumbing a ride along Yonge St. at Thornhill the other day and drove him into the city. He discovered we were from Newmarket and thereupon embarked upon a fascinating recollection of Newmarket as it was when he arrived there in the early part of the century.

He had come over from England, encouraged by a cousin who was already here and liked it fine. He was a carpenter by trade and worked on the Davis

Leather factory when it was being built. "Yes sir," he told us, "did a lot of the trim work around the offices."

Newmarket was going through a period of prosperity, he recalled, and there were a good many homes to be built. He did a lot of the stair-work. He enquired after a few of the older residents, the Hartys and the West families.

He had a sprightly mind for all his age and had decided opinions about politics ("none of the parties give the leadership that this country needs"); morals ("we're slipping badly"); labor ("the practices of dictatorship; never joined a union and never will"); social security ("I can look after myself"); farming ("don't use enough organic fertilizer these days").

"I am an Anglo-Saxon, a Church of England man, and a free worker," he told us.

Our regret was that he talked right up to the time he left the car and we didn't have a chance to get his name. He did say he would pay us a visit later on so perhaps we can remedy that.

We doubt if there has ever been a vote called for in Newmarket in such circumstances as that of this coming Monday. Two votes are being taken: the first for the office of deputy-reeve and the second on the rebuilding of Main St.

Two of the candidates in the first vote accompanied their platform addresses with an insistence that the vote was unnecessary. That seems hardly calculated to encourage support. But if the candidates feel that the first vote is unnecessary, the public feels the same about the second vote. The voters are being called upon to pass judgment on an issue which the council should have settled itself. Most, if not all, members of council are in favor of rebuilding Main St. but the public may vote it down by way of protesting the council's refusal to accept responsibility for their own connections.

## From the Files of 25 and 50 Years Ago

SEPTEMBER 19, 1902

Mr. Brodie removed an old landmark on Wednesday — the tree at the corner of Main and Ontario streets. The crossing is to be set back to give more room on account of the trolley track. With a little co-operation, the sidewalk could be set back a foot or more on each side of the track from the top of the hill to Queen St.

Mr. George Thompson shipped an engine and threshing machine to Port Arthur last week.

Mr. W. C. Lundy brought us a sample of peaches grown in his garden. They are the Crawford variety and he had a small basket full of good size and nice flavor.

Considerable interest has been aroused on the possibility of beautifying the old mill pond by the removal of all stumps and logs from the upper portion of it. At a meeting held on Tuesday, Mr. H. Lloyd was voted to the chair and Mr. E. A. Bogart appointed treasurer. A subscription list was started with \$10 from the town council. It is estimated that it will require \$200 to complete the job. With a united effort by our citizens, the appearance of the entrance to the town by the Metropolitan route can be greatly improved.

SEPTEMBER 16, 1927

A September heat wave has struck Chicago and the middle west, causing many deaths and heat prostrations. Temperatures in the nineties were recorded and no relief in sight until the weekend or later.

The board of management of the King George hotel are now having a new hot-water furnace installed. Recently a new kitchen range was also installed.

Last Monday some of the apparatus used by the Warren Paving Co. on the Sharon road was being moved to Richmond Hill by flat cars, and when crossing Park Ave., the smoke stack struck a live wire. Immediately two cars became electrified and the wood work started to burn. Workmen wearing rubber gloves and standing on rubber sheets cut the connections and put out the fire. The cars remained charged for some time and blocked traffic.

The changing of the gauge of the York Radial has proceeded with amazing rapidity. Already they have reached Newmarket and if the work continues at the same rate the line will be completed to Sutton by the end of the week.

THURSDAY, THE EIGHTEENTH DAY OF SEPTEMBER, NINETEEN HUNDRED AND FIFTY-TWO

### LITTLE INTEREST SHOWN

There were still differences of opinion on the need for an election for deputy-reeve at the nomination meeting last Friday. Two candidates said the election was unnecessary. Another insisted that the law required it. Again one of the former pointed out that another municipality in York with a similar vacancy in office did get away without an election.

Electors who attended the meeting did not seem impressed with these "revelations" a week before election day. The election had been called but the candidates running for office were still arguing from the platform about the need for the election.

The candidates stirred little further interest among the electors who were by no means overly excited about the outcome anyway. The candidates themselves were at a loss to say anything which could have great significance to Newmarket between now and the December elections.

The mayor should have announced the election early in July, according to the Municipal Act requirements. He didn't and now it is the end of September before a new deputy-reeve is to be elected.

The successful candidate will be in office only a dozen weeks before the next election. He may do some important work in the county council sessions but as for proving himself to his electors, he will have little opportunity to do much in town council meetings. Neither will there be much danger of him offending any of his supporters in such a short time.

The electors will only be repeating their balloting in December for the deputy-reeve. The Municipal Act may require an election but the general opinion among electors now is that it is not necessary. All in all, we can expect a low vote on Friday.

### DEPARTMENT'S FAULT

A man died shortly after an accident on the highway involving a gravel truck. Since then the township police have been industriously checking weights and speed of gravel trucks and our information is that several truckers have, as a result, withdrawn from the business of hauling gravel for highway building. This circumstance prompts the questions: why weren't weights and speeds checked before? Why did there have to be a fatality first?

The answers to these questions must inevitably rest with the department of highways. This is the second year that district roads have carried a heavy traffic of gravel trucks engaged in highway construction. Last year, the trucks were rushing gravel to the new Barrie highway. This year it is for construction work on Yonge St. Both jobs were started late in the season. Much had to be done; hence, a schedule which required speed and resulting excessive weights and numerous accidents.

It might be maintained that the government had no responsibility for this situation, that the responsibility was that of the individual trucker or the contractor. There is no weight in such an argument. Surely, when the government lets a contract, it has a continuing responsibility for the manner in which that contract is carried out. Work on the Barrie highway moved so slowly that it had become a public scandal. Then, with an election in the offing, gravel trucks began to thunder across the country roads in an effort to complete in a limited time a job which should have been spread out over the summer.

And now this year it is happening again. We were told last spring by the highways department that no work was being planned along Yonge St. in this area. We protested this refusal of the government to remedy the hazard of the Davis Dr. crossing. Then, in the middle of the season, preparations were begun to widen the corner, indeed, to repair the surface well south of Aurora.

Here again is evidence of belated planning, or no planning at all. There is absolutely no excuse for the government to embark on such extensive works as finishing the Barrie highway or widening and resur-

facing Yonge St. so late in the season. The consequence has been such a tight schedule that overloading and over-speeding have been inevitable. And last year, when in Stouffville the provincial police were ordered to check on weights, it was charged that summonses were later withdrawn.

The government's fault does not end there. Ontario's licensing of drivers is at the best, a casual affair. Many of the operators of gravel trucks should never be behind a wheel to begin with, not if the manner in which they drive is any criterion. There's not a resident in this area has not had, or heard of, a narrow escape with a gravel truck.

The long hours imposed by the conditions of the job are partly to blame. Casual licensing and lack of supervision are also to blame. It is ironical that the department which maintains a year-round traffic safety program should be so lax in the ordering of its own affairs, ironical and tragic because if the department had shown a greater sense of responsibility, there would not have been so many hazards on our roads for the last two years.

### AREA IS FILLING UP

The census has shown that the number of children in Canada 14 years and under has increased by a million, from 3,200,000 to 4,200,000. These conclusions may come slowly to the government statisticians. Members of local school boards could have told them of the increase months ago. It's a rare school in this district which has not shown a substantial increase in school enrolment. There are few boards who are not faced with the need to build extra rooms, or who have provided extra accommodation only to find it used up in a year or so and that they must build again.

Residents of Holland Landing have been called to a ratepayers meeting to discuss the need for extra accommodation yet the school was enlarged only a couple of years ago. Newmarket faces the need for more accommodation in a year or two — and so on. The district is filling up and the provision of more school accommodation is a continuing consequence.

It is foolish to ignore the need for more school accommodation or substitute makeshift arrangements in the hopes that the demand is temporary. The population of this area will continue to grow for many years yet as Toronto's residents overflow into this area, and the character of an essentially rural area begins its slow change into a semi-urban area, there is no turning back this development.

Not only school boards and ratepayers, but members of district municipal councils must accept these facts of development. They can no longer administer their municipalities on a day-to-day basis. They must plan ahead in preparation for the steadily increasing populations or else become hopelessly bogged in debt.

The councils can now exercise a certain amount of control over real estate developments but they cannot prevent the steady influx of people into the district. It is an accomplished fact. The acceptance of that fact would save a lot of haggling and dispute.

### CLEANING UP THE CEMETERY

It is encouraging to see that the old Anglican burying ground on Eagle St. is being cleaned up and its stones preserved. Except for the narrowness of Main St., and possibly Fairy Lake, no other condition in Newmarket has received so much adverse comment over the years. And we hasten to admit that it is easy to comment . . . but it is a major undertaking to embark on such a project. But the burying ground was an eyesore in its former condition.

An effort is being made to clean up the Sharon cemetery too. We do not know what is intended there although the procedure at the Eagle St. cemetery seems the most practical, to put the surviving stones in a cairn and make the grounds into an attractive lawn. We hope the example in these two instances will be followed at other abandoned cemeteries in this district.

## Office Cat Reports Catnips By Ginger

My friend Duncan Bliggens, nephew of our editorial advisor, Slim Bliggens, is a reporter on one of the large daily papers, the Toronto Telyergram.

He's just a young chap, Duncan Bliggens but already he has been made Gang Editor of the Toronto Telyergram.

In an issue of the Telyergram this week, my friend Duncan Bliggens wrote a sensational report of an invading teen gang battling police in a milling melee or words to that effect.

Roaming gangs of teenage hoodlums have been making attacks in the city suburbs in the past months. The culmination of all this was when they, the roaming, restless, roudy hoodlums, pitched a battle with police and local lads. After the battle was pitched, nine were taken to jail.

It was after this incident that the Telyergram decided to put its foot down and darn well appoint Duncan Bliggens their gang editor.

"To be a good gang editor, you've got to play the part," Duncan Bliggens tells me. He now has (a) a boogie woogie haircut, (b) a brush cut on top and long and pointed at the back (c) cultivated an impudent sneer and (d) a change of clothes especially cut, draped and edited to suit the "stride" fashion of typical gang hoodlums.

In case he has no time to change into hoodlum costume, he has a pair of bicycle clips to put on his trouser legs to give them the "stride" effect.

"The gang has been assault-

ing local and suburban youths since a battle a month ago in which one of their number was injured," says Duncan Bliggens. "They're out to avenge the six stitches one of their punks needed in his face," said a local businessman in one of the suburbs.

Whenever one of these gang fights is due to take place, the Telyergram gang editor slips into his hoodlum suit and sneaking, he slips stealthily in among their numbers.

If you ever happen to get mixed up in one of these suburban gang fights, keep your eye out for a young man in the midst of the melee, working at a typewriter and wearing a green eye shade of the type old editors wore.

He likes to get all his information on the spot. He must be in the middle of a given gang fight to get the proper atmosphere. He throws caution to the winds; with no respect to danger, he reports the truth and nothing but the truth.

It is through Duncan Bliggens that a new word has been introduced to the language, the word "hoods", pronounced the same way as an owl "hoots" and meaning, of course, young ruffians of the hoodlum variety.

Gang Editor Bliggens is also considering a new word, "rabbling". An example of this would be, "Young hoods were rabbling in the streets of this suburban community today."

He might go a step further and say that they were rabbling and rousing.

## The Top Six Inches by "Dairy Farmer"

Through the long hot days and nights of the fall shows, the men sit around and talk when they aren't working with the cattle. The older ones remember the "days when . . . the younger men listen to the stories of men, cows and bulls and judges, now long departed. They sometimes kid the older men, but there is no meanness or disrespect to the kidding. It is a fascinating experience.

One night, inevitably, the conversation turned to bulls and then to artificial insemination. Below you will find the gist of this discussion. It is an opinion and doesn't pretend to be any more. Neither is it popular today. This is the so-called other side of the story.

The man who started the discussion has been a breeder of purebred dairy cattle for more than 35 years, and his father was a breeder before him. Up until the widespread recognition of artificial insemination, he sold quite a few bulls around the country. He wasn't a man with flair for publicity and his barn was that of a dairy farmer with no fuss and frills. But he tested his cows on ROP from the beginning and his cow families had several generations of tested depth to them.

This man made a conscientious effort to improve the breed. He bought as good a bull as he could find. The bulls he sold increased his income, but no more than paid for the added effort and the testing.

He always was a constructive breeder and he still is. Only today, there is no market for his bulls. Artificial insemination has taken their place. He doesn't complain, because A.I. is not only a method of getting cows in calf but kind of a fetish with some men. They suggest that it is immoral to create the complainant's income.

Now so far this is only an individual case. But let us look a bit further, to the days argue with a system that devalues 10 bulls were sold for each one sold today. The chances were ten times better then to find a bull that will help the breed as a whole. Breeders or groups of breeders developed strains in their communities. Some of the bulls they bought or sold were no

good, and some didn't go into herds where their offspring was tested. But some were bought back on the basis of their performance and were a real asset to the breed.

The proving of bulls brought up the next most important point. Do the units exercise enough care in picking them? Do they know enough really to say, your bull is no good or to go to another man and say, your bull calf is good enough to pay money in five figures for it. Inevitably the question arose: Where are the bulls for the units going to come from.

The medium-sized breeder won't be able to keep bulls around. If he is not encouraged by increased returns to breed cattle, he will be extinct in the next 10 years. This will leave the large breeder the whole field of supplying bulls. Will this be a benefit to the industry or the respective breeds.

The next point to which everybody almost unanimously objected was the wholesale semen business. There is something pretty discouraging about the thought that whether or goes to Kapuskasing or to east or west, one will meet the of springs of the same half dozen bulls. And supposing these unproven bulls, bought I guess and by golly, won't breed as expected. The result will be obvious. The breed will set back 25 years.

There is no doubt that artificial insemination has done more for efficient milk production than any other factor in the last 50 years. The gra breeder, if he started when A started first, and we know some that did, have today herds that improved beyond fondest hopes. There is no production and more type, he is better off with the cat he has than if he had so purebreds, with fancy but only fair in quality. In respect it helped to exclude myth that a cow has to have paper to milk or look good. But A.I. cannot succeed without the small purebred breeder who is now being destroyed and neither can the bre maintain their progress. A.I. realizes this and uses some of the accumulated reserve encourage breed progress.

### THE OLD HOME TOWN

By STANLEY

The state is the servant, not the master, of the people; the state is their guarantee against infringement on their rights, their agent in international and national issues; it is not the function of the state to assume the direction of those activities which rest on individual choice.

## IT'S A Woman's World

By CAROLINE ION

Canadian television came to Newmarket last week. Its arrival, although heralded by sound-truck and newspaper advertisement for several weeks, didn't draw the crowd the baseball games commanded on the same evening. The Newmarket Town Hall was barely half-filled.

After three years of waiting since the first announcement was made in 1949 that CBC would begin work in television in Montreal and Toronto, the official opening for Toronto and district was held on Monday evening, Sept. 8. Through the courtesy of Stewart Beare, non-owners of television receiving sets were given the opportunity of viewing this premiere of Canadian television.

As at all official functions, much time was taken with "a few well-chosen words" from an endless succession of well-wishers. These included the top executives of British, American and European television. Prime Minister St. Laurent spoke as did the minister of national revenue, Dr. J. J. McCann, A. D. Duntun, CBC chairman, and Fergus Murtie, director of CBC television in Toronto.

Mr. St. Laurent told of the possibilities which lay ahead in television for Canadian talent and promised that the medium in Canada would be "started with the aim of benefitting our national life; that it should have the structure and means required by Canadian conditions to provide suitable Canadian programs for Canadians."

#### Things to Come

Following the official ceremonies, the audience was given a preview of things to come... samples of the types of shows which will become regular television features over Channel 9, Toronto. This 45-minute live show included a spot of drama, a comedy routine, vocals in the popular vein and a favorite aria, orchestral arrangements, sports, a piano concerto, ballet and pantomime. In this too-brief outlining of future programs, CBC clearly showed how all-embracing television will be of the audio and visual arts.

Talented Canadians in the entertainment field who previously were forced to seek employment south of the border will now have similar opportunities within their own country. Here could be the impetus for the development of a truly Canadian culture. There will be new jobs for singers, dancers and actors. Writers will have a fresh field for their work and behind the scenes there will be countless

opportunities for Canada's youth.

#### "Unprofessional"?

When the Leslie Bell Singers appeared on U.S. television they were told by Columbia Broadcasting company officials that they looked "unprofessional". To help remedy this, the girls enrolled in a short modelling course.

We had the same feeling that the performance just missed the professional status about the work of many of the Canadian artists appearing in this year's C.N.E. grandstand show. When Tony Martin took over the spotlight, that "something extra" was very apparent.

The audience was his. This appeal was not because of superior talent. It was quite apart from whether one liked popular music, his choice of selections or his style of singing. It was tied-up in one word, showmanship. The result of years of public performances and continuing opportunities marked his appearance as different.

We felt that this lack among the Canadian artists was not a matter of nationality. It was not because Tony Martin was American that he had such tremendous stage presence. It was not because Evelyn Gould was Canadian that despite her obvious talent she remained apart from her audience. Critics say, "Canadians are too reserved to be good entertainers." Or, "The Canadian artist doesn't unbend and relax as does his American counterpart." We feel it is a question of experience.

Canadian artists were given an opportunity to display their talents at the grandstand show. Another year will go by and they will have a similar chance... if they are among the fortunate few. That is not enough. Perhaps in television lies their opportunity.

#### BEDAL-DILLMAN

Gladioli, palms and candelabra decorated Grace United church, Brampton, for the marriage of Catharine Marie, daughter of Mr. and Mrs. E. L. Dillman, Brampton, to Carl Lee Bedal, Richmond, son of Mr. and Mrs. Earl Bedal, Brighton, on August 9.

Rev. R. Davidson officiated at the wedding. Miss Jennie Miller was organist and Mrs. C. Corbett was soloist.

Given in marriage by her father, the bride wore a gown of blue satin embroidered with lace and seed pearls, and matching cap, with fingertip Chantilly lace veil. She carried a cascade of orchids and Hibiscus roses.

Mrs. Claude Watts, Toronto, matron of honor, Mrs. Gordon Proctor, Newmarket, bridesmaid, Miss Beryl Hunter, Toronto, also bridesmaid, were in full-length gowns of net over tulle, strapless, with shoulder capes and matching caps, in shades of orchid, pale green and pink. Miss Nikki Watts, Uxbridge, flower girl, was in white organza over rose tulle.

Best man was Mr. Keith Bedal of Ottawa, and ushers were Mr. Claude Watts, Toronto, Mr. Edwin Gibson, Toronto, Mr. Wilfrid Glenn, Arnprior, and Mr. Bruce Brignell, Peterborough. The reception was held at the Yellow Briar Inn, Brampton, with the bride's mother receiving the guests in a dress of orchid French lace, with white accessories and corsage of orchids, assisted by the groom's mother in navy dress with white accessories and corsage of pink carnations.

For their honeymoon trip to Muskoka, the bride chose a toast colored faille dress with dark brown accessories and corsage of Hibiscus roses. They will make their future home in Richmond, Ontario.

#### NOBLE-BARTLETT

Zephyr United church, decorated with autumn flowers, was the scene of a very pretty wedding on Saturday, Sept. 6, when Kathleen Clara, younger daughter of Mrs. J. O. Bartlett and the late Mr. James Osborne Bartlett, was united in marriage to Mr. Allan James Noble, younger son of Mr. and Mrs. J. Kenneth Noble, Uxbridge. The double-ring ceremony was performed by Rev. W. B. Thornloe. Mrs. Gordon Ryndard played the wedding music and accompanied Miss Olive Meyers who sang At Dawning and Through the Years.

The bride, given in marriage by her brother, Ray Bartlett, wore a traditional white satin gown. It had a fitted bodice with a nylon yoke edged with eyelet organza trimmed with pearls and a full skirt falling into a train. A satin tiara, covered with pearls, held her fingertip veil of tulle illusion. She wore three strand pearls, the gift of the groom, and carried a cascade of white mums, gladioli petals and stephanotis.

Mrs. Ray Thompson, as matron-of-honor, wore a gold tulle gown and bolero with a match-

## Newmarket Social News

—Mr. and Mrs. Larry Thieverge, St. Catharines, visited the home of Mrs. Annie Sanderson over the weekend.

—Visitors at the home of Mrs. Ethel McClure, Mount Albert, on Sunday were Mr. and Mrs. Elmer Sheppard, Hamilton; Mr. and Mrs. Wilmer Sheppard, Toronto; Mr. and Mrs. Bruce Widdifield and family; Mr. and Mrs. Bill McClure and family; Mr. and Mrs. Larry Thieverge, St. Catharines and Mrs. Annie Sanderson, Newmarket.

—Miss June Gilpin spent last weekend at Walker's Point, Muskoka, with Mr. and Mrs. Harold Robinson, Toronto.

—Mrs. T. Taylor and Mrs. E. Miller have just returned from two weeks' holiday at Muskoka.

—Mr. and Mrs. Ray Latimer, Angus, and Mr. and Mrs. Leslie Rose, Angus, spent Sunday with Mr. and Mrs. Frank Widdifield.

—Mrs. Marjorie Nash Getti, and Miss Marjorie Getti, Denver, Colorado, have been visiting their cousin, Mrs. Frank Widdifield, and several other cousins, whom they had not seen for 45 years.

—Mr. and Mrs. Warren Graves, Mount Albert, spent Sunday with Mr. and Mrs. Frank Widdifield.

—Mr. Joseph Evans returned the first of the week from a visit to his daughter, Mrs. J. Edwards (Ruth) in Toronto.

—Mr. and Mrs. Richard Muir, Indianapolis, were recent guests of Mr. and Mrs. J. W. Bowman.

—Mr. and Mrs. Bruce Miller and son, Gary, Leaside, visited Mr. and Mrs. Thorold Miller on Sunday.

—Donald Budd was the guest of Terry Carter and his parents, Mr. and Mrs. Morden Carter, at their cottage, Stormy Lake, Haliburton district, over the weekend.

—Mr. and Mrs. Clarence Spence and Brian, Toronto, are spending a few days with Mr. and Mrs. J. H. Bull.

—Mavis Houston, who was a patient at York County hospital for a week, returned home on Saturday. Her condition is reported to be satisfactory.

—Mr. Roy Moulds, Orillia, visited his sister, Mrs. George Simmerson, over the weekend.

—Kenneth Budd was a guest of Reid Bell and his parents, Mr. and Mrs. J. L. Bell, over the weekend at their summer cottage, Gull Lake, Haliburton district.

—Mr. and Mrs. William Young spent the weekend in Galt, the guests of Mr. and Mrs. W. A. Brethour.

—Mr. and Mrs. John Wrightman holidayed last week in New Liskeard and Invergowrie Falls.

—Mr. and Mrs. Harry Jackson, John and Jimmy, Maple, were Sunday guests of Mr. and Mrs. Ernest Morton.

—Mrs. J. Tolchard, Sr., formerly of Toronto, has moved to Newmarket and is making her home at 17 Prospect St.

—Mrs. Charles Muir, Indianapolis, is spending a few weeks with her son-in-law and daughter, Mr. and Mrs. J. W. Bowman.

—Mr. and Mrs. R. McEwan, Aylmer, were weekend guests of Mr. and Mrs. Lyle Bond.

—Mr. and Mrs. Melville Broughton, Wilburforce, Haliburton, called on their parents, Mr. and Mrs. W. J. Broughton, on Saturday evening prior to leaving for Oakville where they will spend the week with Mrs. Broughton's parents, Mr. and Mrs. Percy King.

ing hat trimmed with feathers and carried bronze baby mums and yellow gladioli petals. Miss Audrey Noble, sister of the groom, and Miss Jean Melville as bridesmaids, wore identical gowns and hats to the matron on honor in bronze and moss green. They carried yellow baby mums and yellow gladioli petals.

The groom was attended by his brother, Mr. Donald Noble, and the ushers were Mr. Clayton Bartlett, brother of the bride, and Mr. Ronald Kester.

The reception was held in the church parlors where Miss Lovena Bartlett, sister of the bride, received in a gown of navy crepe with matching accessories and wore a corsage of yellow baby mums and roses. The bride's mother wore a grey gown with wine accessories and a corsage of white baby mums and roses.

The groom's mother received in a violet sheer gown with pink accessories and wore a corsage of pink roses and baby mums. The groom's grandmother, Mrs. Cook, also received in a gown of navy with matching accessories and wore a corsage of pink roses and white baby mums.

For their wedding trip to Haliburton, the bride and groom wore matching suits of navy gabardine. On their return they will reside in Toronto.

#### CELEBRATES BIRTHDAY

Mr. Joseph Evans celebrated his 81st birthday on Monday, Sept. 8. A number of relatives held a picnic in the Lions Park in honor of Mr. Evans' birthday. A pleasant time was enjoyed.

## See Eckhardt Trophy In Aurora

Richmond Hill high has its track, football field, and play track completely torn up for resurfacing and draining. Consequently, the red and white warriors will not be available for track or football competition this fall. That means Aurora high will likely get the Eckhardt trophy by default since Newmarket high which holds it's field day in the spring and Richmond Hill where the meet was scheduled to be held, are definitely out.

The Hill has lost a trio of promising young athletes to the armed forces officer's course this year. Murray Johnston, an outstanding performer at basketball and track, son of Mr. and Mrs. Ed Johnston, formerly of Aurora, and Leonard Creelman, Gormley, another all-rounder will enroll at Royal Roads, Victoria, B.C. this week, while Dave Graham goes to R.M.C. Graham is good at tennis and badminton too.

Good news! The cross-country run, once one of the big efforts at Aurora will be run again for the Dr. Bruce McDonald trophy. Dr. McDonald, former St. Andrew's headmaster, donated the trophy to the Aurora school in 1929 in memory of the 11 boys killed in World War I who had attended Aurora. Inscribed on the trophy are the words, "Qui sanguine nostrum nomen in astra ferunt", or literally, "Those who with their life blood carried their names to the heavens". The race was discontinued during war years. Every boy in the school competes unless excused medically and is expected to finish no matter what his time.

Bob Hassard, manager of Stouffville Red Sox, sidelined by Sutton Greenshirts, will report to the Pittsburgh Hornets camp this month and will likely complete the season in the minors as under the new rules traffic back and forth between the A.H.L. and N.H.L. will be very limited this season.

Don Head, who played goal for Weston Dukes against Aurora two years ago, will have a try-out at Pittsburgh this year. Frank Sullivan of Richmond Hill introduced to hockey by Charlie Rowntree will have a chance to make the Leafs' defence spot left vacant by the trade of Gus Mortonson and the demoting of Bill Juzda.

Allan Dawson, who played right wing for Alliston juveniles last winter, and now attends school in Aurora will be a can-

didate for the Aurora Bears this winter. Young Dawson who is playing both softball and football comes well recommended and, of course, he isn't an import.

Ray Bennett who played goal for Richmond Hill midgets last winter and looked plenty good may seek a place on the Aurora club; the Metropolitan area ruling will probably nix it as Aurora couldn't draw players "south of the Mason-Dixon line" last winter.

Incidentally with Joey Burke of Newmarket pronounced fit and well, he'll be the favorite for the post, with Wally Rhodes, who finished the '52 season in a blaze of glory, Ron Starkey and "Lefty" Brown formerly of Whitby being other candidates to be reckoned with. Andy Closs has both ability and depth in the nets this season.

Gordon Taylor of Oak Ridges, along with sons Mike and Don, were runners-up on the father and two sons tournament at Lambton Golf club last week.

Could be that the finals for the Toronto senior baseball championship will see two former Aurora players opposing one another. Jack Andrews is southpawing Kingsways to the top of the Viaduct league and speedballer Gerry Acheson is leading Mahers to the top of the Earls-court league. If they meet the series may even see something stranger as Loring Doolittle, back from the South, has started to umpire in Toronto, the O.B.A. playdowns and softball as well. North York gals had better watch out or they're liable to lose "Dewey" who has acquired a southern drawl. Loring is carrying the torch these days for a final year Co-Ed at Alabama State. If you have the chance to discuss the season with Doolittle it's quite a story.

Surprised to learn that total payroll for class "D" ball was \$2,000 a month with the boys drawing down peanuts mostly, unless they are subsidized by big league papas. Each club can carry only four veteran players, the rest being youngsters on their way up. "Bloody Harlan" and Hazard, Kentucky, two of the best known "crime cities", were included on the circuit, along with Big Stone Gap, Morriston, Middleboro, Pineville. All the clubs are big league sponsored, but there are not too many players likely to take the jump to the big time. Fans and umpires

wear guns for protection in most States and so long as you wear them openly it's permissible by law.

Seems as how there's an awful lot of jealous husbands and playful characters in the hills of old Kaintuck; \$250 per month and expenses away from home are the rates paid the "blind Toms" and from this classification, the umpires hope to graduate after at least no more than two years. Doolittle may go South in February to attend Bill McGowan's school for ump's in Florida. The registration fee is \$175 and board and room provided for a buck a day, so if you want to try the experiment it isn't too bad. "You all better be right, or there'll be a rhubarb", sez Dewey who escaped unscathed and only banished 14 players and needed police escort four times from the parks.

Red Mitchell is back in charge of junior B hockey at Lindsay as part of Eddie Shore's chain. Rumor has it that Bill Smith who played with Aurora Bears two years ago and then jumped to Lindsay last year, will stay in Canaltown and join the Bears. Mitchell of course has first call on his services. Smith would look good in an Aurora sweater.

Art White, son of Bunny White, nephew of Al and Rusty White, all of Richmond Hill sports fame, has rejoined Galt Blackhawks who started practices last week. Art was with Weston Juniors two years ago. Bunny is scout for Blackhawks in the Toronto area.

Billy Bowen and his mates from Thornhill have dropped Lakeview, and Shirotown reaches the O.S.A. quarter finals in class "C". The Hillers are likewise doing all right in their own league, leading Markham three games to zero in a best of seven set. Like to see Bowen, Jimmy Hughes, Harry Russell, and all the rest finally reach the heights. It's about as far as any North York club in the men's series ever went in Provincial competition.

### Bears Organize For Shiny Circuit

Aurora Bears are figuring on a strong junior C entry for O. H. A. competition this winter. First concrete steps towards this end were set in motion last week as the Bear's officials were named for the 1952-53 shiny campaign.

Charlie Rowntree will be back as coach; Andy Closs returns as manager; Dr. C. R. Boulding is club president and Douglas Clark, secretary-treasurer.

Andy Closs has been scouring the countryside for players this summer and has lined up 27 to date for the Bears' try-out camp due early in October. Any players interested in a try-out are asked to contact Manager Closs at 448M Aurora after 6 p. m. before October 8.

"We'll be stronger than last year. The Bears will really grow this winter," reports Manager Closs.

### TOWN HOCKEY

Last and final call! Mount Albert, Vaudart, Town Regents and Office Specialty hockey officials please note a meeting to organize the Newmarket and District Hockey League will be held at President Ray Smith's residence, 38 Millard Ave., Newmarket tonight (Thursday) at 8 p.m. Anyone interested in town league hockey is asked to attend.

### Redmen To Meet

All players and officials of the Newmarket Redmen Baseball Club are requested to meet at the arena tonight (Thursday) at 8 p.m.

The meeting has been called to discuss plans for next year and to hear a financial report of this season's operations from Secretary-Treasurer Tom Surgeoner. The Redmen have three offers of exhibition games from Stroud, Barrie and Federal Farms Colored Stars and may decide to accept the games to complete their season.

The Colored Stars may come in next week for a floodlight game to test the lights for night baseball.

## Pin-ups Trail Mount Albert

Mount Albert squeezed out a 4-3 win over Newmarket Pin-ups Friday at the fair grounds to take a commanding 2-0 edge in games in the best of seven Lake Simcoe junior ladies softball league final series.

One harrassing innings, the third, hexed the Pin-ups and spoiled their chances of tying the series. Hits by Evelyn Green, Jean Rolling and June Wagg, coupled with a Newmarket infield bobbie, dealt the Mounties a four-run hand and that was all they needed to win in the wake of Marguerite Green's four-hit pitching.

Pin-ups took out to narrow the Mounties lead and picked up run one in the fifth as Joan Quinn drew a stroller ticket and completed the rounds on an infield out and a wild pitch. Pin-ups came within a run of tying it in the sixth, Barbara Gwilliams getting a life on an error and

Betty McArthur's subsequent hit touching off a two-run Pine-up effort. Kay Diceman surrendered seven hits to the Mountie club brigade. June Wagg and Evelyn Green boasted the Mounties' swankiest hit marks with two each; Lois Morrison, Marie Harrison and Jean Rolling punched out one a piece. Betty McArthur got the range on Marguerite Green for two hits and Helen Tennant and Barbara Gwilliams were other successful bidders.

## For Arnold's Slugging

Let's see now, before we get into the meat and gravy end of picking a Hashman award winner for this week let's pause a moment and say "thank you" to the Lake Simcoe Softball Leaguers for bringing their deciding games here. It will provide a terrific wind-up to the local baseball season. Pine Orchard-Zephyr exchanges have the local fandom in a dither and there's more to come. Clarkson Arnold's big slugging bat featured the Tuesday struggle as your Hashman saw it. Clark was certainly Eddie Tidman's most troublesome customer as he banged out a homer and double and, climaxed a big evening with a game winning single. That's not a bad effort for one evening, you'll agree. Clark's outstanding effort rates this week's Hashman award and Roxy Theatre pass.

### NO FUSS - NO MUSS

No fuss—no muss—it's Tip Top Suits for quality. Morrison's Men's Wear, Main St., Newmarket, phone 158.

### Mounties, All-Stars Tie

Mount Albert, prepping for the Lake Simcoe finals, and Thompson-Bell all-stars rounded out the softball entertainment at the fair grounds Tuesday evening with an exhibition encounter. T.B.'s, trailing 4-3, picked up an unearned run in the last of the seventh to gain a 4-all tie with the visiting firemen.

Morley Cook, T.B.'s drop ball specialist, put on a stirring pitching duel with Mount's Horner Rutledge and Ken Red Mitchell. Cook permitted the Mounties two hits, one being Doug Simpson's one on homer in the sixth and that blow anchored Mount's 4-3 lead to that point. Veteran campaigner Charlie Green connected for the Mounties other hit.

T.B.'s picked up three hits, two off Horner Rutledge, while Ken Mitchell, working from the fifth on, permitted the Belmen one. Don Gibson had two and John Sheddwick counted the Bell's third safely.

Mount Albert: D. Couch, B. Badger, L. Rutledge, D. Simpson, K. Case, E. Paisley, G. Green, A. Gibson, K. Mitchell, C. Green, Thompson-Bell: W. Johnston, D. Smith, J. Hugo, J. Sheddwick, K. Thoms, H. Stephenson, T. Barrager, D. Gibson, M. Cook.

An archangel is an angel of the highest rank.

Flower arrangement is a national art in Japan.

## WHAT A DAY!

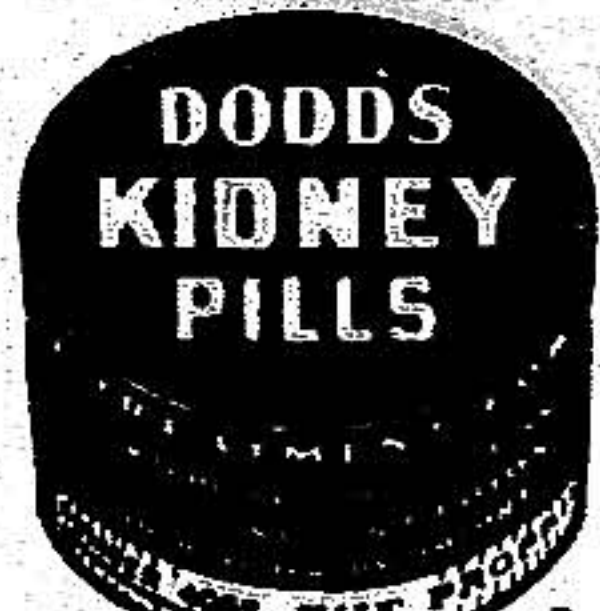

What a misery it can be on those days when you are feeling way below par. How slowly the hours drag by when you feel seedy and sluggish and seem to ache all over.

And how unnecessary it is, very often. Most times that dull, lousy feeling is the direct result of constipation and kidneys not working properly. You need something more than a simple laxative these times. You need Kruschen Salts. Millions the world over have learned the benefits of Kruschen... the salts that are like those in the waters of famous Mineral Springs. Acting in two ways at once, laxative and diuretic (for sluggish kidneys), Kruschen helps rid the body of waste matter. It goes right to the cause of that miserable, sickish feeling that constipation brings about.

Get some Kruschen today. Less than half a teaspoonful can make you feel better all day long.

## Office Specialty Champs

The town league finals betwixt Can. Hoffman and Office Specialty came to an abrupt ending Monday with the announcement that Can. Hoffman had dropped out. Hoffmans had to throw in the towel, due to the fact their one and only pitching ace, Bill VanZant, was working nights and wouldn't be available for diamond duty for two weeks.

Office Specialty, who were leading the best of seven town finals, thus become league titleholders and possessors of the Newmarket Manufacturers' Association trophy. It was a dismal ending to the town league season.

The Hoffman-Specialty set was just picking up momentum and the fans were looking forward to further battles before the league crown found a permanent resting place for the 1952 season. Friday night the teams drew the largest town league crowd and netted a \$35 gate.

**SPECIALTY TAKES LEAD**  
John Sheddwick pitched the Craddock-Neufeldt Specialties to a 4-1 win over Can. Hoffman at the fair grounds Friday in the town league finals. The victory gave the cabinetmakers a 2-1 edge in games in the best of seven finale.

Hoffmans led off the scoring with a run in the second as Al Wilson, aboard on a fielder's choice, stole second, advanced a station on a wild pitch and came home on Don Gibson's blistering drive that got away from first sacker, Bruce Andrews. That was the only time the Pressmen could crack Sheddwick's pitching.

Office Specialty caught up with Bill VanZant's change of pace in the third to carve out a 2-1 lead. Tod Mosier walking, Jerry Hugo and Bun Cook got a life on the runways on Hoffman infield bobbles and John Sheddwick won his own game with a Texas leaguer into center that shot two of his mates across the dish. Bun Cook homered in the fifth to advance the Specialty

into a 3-1 lead. Tod Mosier doubled in the seventh, diving into second in a cloud of dust, went into third in like manner on a stolen base and scored similarly from third on a wild pitch. Tod's feat provided the Specialty with an added insurance marker, making it 4-1. Hoffman's valiant but futile stab at getting back in the game in the seventh after Grant Blight had got aboard on an infield pop went for naught as Sheddwick put the next three Hoffman clubbers to sleep.

Bill VanZant permitted Specialty seven hits; John Sheddwick backed his pitching with two. Bun Cook homered, Tod Mosier doubled and Jerry Hugo, Bernard Bay and Charlie VanZant singled to provide Specialty hit music. Sheddwick, the Specialty fire-ball specialist, gave up five hits. He was toughest with men on bases, Hoffmans leaving ten stranded and that about told the tale. Fielding spotlight fell on Cook, Will Elsy, Tod Mosier, Grant Blight, Molts Thoms and Roy Eves.

### SCHOMBERG LADIES

Schomberg White Sox, York-Simcoe ladies softball league champions, got revenge for a recent pasting at the hands of Mount Albert ladies last week with a 9-8 win under the Schomberg lights. The teams hope to settle the series in a rubber match in the near future.

Schomberg broke from behind an 8-5 deficit with a four-run last of the seventh rally to win. Marguerite Green pitched four-hit ball for the Mounties but was the victim of several outfield misses by her mates that made the Schomberg late surge click. Mount Albert punched out six hits against Marie Marchant on the Schomberg mound. June Wagg picked up two to pace attack and it was one each for Lois Morrison, Marguerite Green, Ida Bertolin and Jean Rolling.

Marilyn Campbell starred at the plate for the victors, driving out two hits. Marie Marchant and Peggy Ellison were other successful Schomberg swingers.

### Belhaven Wins First In Jr. Men's Finals

Belhaven and Keswick opened a best of five series this week for the Lake Simcoe Junior mens softball league title. Murray Thompson's no hitter—not a Keswick runner reached second—gave Belhaven a winning start towards the title with a 3-0 triumph over Keswick in their own ball yard.

Charlie Sinclair's homer gave Belhaven a second-innings run and they added two insurance markers in the following round. Bill Henry pitched good enough ball to win most games but was put in the shade by Thompson's terrific feat.

Second game in the finals will be played tonight (Thursday) at Belhaven, third game next Monday at Keswick and if a fourth is needed it goes at the Belhaven diamond a week tonight.

## Senior Ladies Drop Two To Lose Try For Crown

Curses, foiled again. Newmarket senior ladies left Saturday for Penetang with one game to spare to become Ontario champions. It didn't work out that way. Midland scored a 6-5 afternoon triumph and snatched the glory P.W.S.U. crown with an 11-5 nighttime performance.

The result brought a mixture of frustration and bewilderment to Hub hopeful fans and they'll just have to fall back on the time-honored slogan "wait until next year" to get through the long, weary, winter months.

Errors will kill you and they did Newmarket Saturday. Hester Clark's pitching was adequate; hitting was satisfactory but defensive lapses left the door open for Midland to secure the pair of victories needed to annex the title.

While Coach VanZant tried on the sidelines in game one, Lois Darrach lost a lift in the sun and Terry Reid elected a peg home with two out; the throw was late, everybody safe, Midland taking full advantage of these happenings plus hits by Joy Mosley, Anne Ritchie and Muriel Lamb to crop a 5-0 third frame margin.

Conditions changed abruptly for the better in the fourth. Lois Darrach doubled home Barbara Watt and in turn scored on Terry Reid's bingle. Locals tied it in the following panel with a three-run burst, fashioned around Mary Osborne's walk, an error, Lois Darrach's second double and Terry Reid's number three safety.

had come, the VanZant-Ruthven tribe lost their battling punch and Muriel Rawn dismissed them without a run over the last four frames. Midland collected the tie-breaker and game winner in round six on Joyce Rutherford's double and an outfield miss by Grace Webster.

Midland harvested nine hits, Newmarket eight. Newmarket outlived Midland 14-12 in the free swinging nighttime contest but their efforts weren't crowned with success in the tally book. That's the reason they left an even dozen runners stranded. Midland worked Sarah Barradell, Newmarket starter, for three runs in the second.

Hester Clark came in to sniff the rally but Midland got it going again in the third and fourth and it added up to 9-2 lead for the Monarchs. Newmarket broke the scoring ice with a pair of well merited runs in the second, fashioned around Mary Osborne's double, Barbara Watt's triple and Shirley Wilson's single. Locals kept their other date with the score-keeper in round five, pushing across three runs on consecutive singles by Sarah Barradell, Mona Dean, Hester Clark and Barbara Watt coupled with Terry Reid's solid triple.

Newmarket scoring machinery broke down at this stage and never revived. Lois Darrach converted an outfield catch into a twin killing for the fielding highlight. Barbara Watt's four for four plate performance sparked the locals.

## THE Calvert SPORTS COLUMN

by Elmer Ferguson

This one didn't appear in the points record, but I happen to think that the real Olympic champions are the Finnish nation, all 4,000,000 of this peace-loving and sports-worshipping little country's population.

In 1940 the Finns had, with great pride, accepted the honor of being host to the Olympic scheduled for that time and planned accordingly. But then came the Russian invasion and World War II, resulting in cancellation of the contests and tremendous financial losses. After hostilities had ceased, Finland was unable to accommodate the 1948 games, which took place in England.

The work and outlay has been tremendous. For instance the Olympic Stadium, built at enormous cost, had accommodation for 70,000 spectators. Nearby was built another stadium with a heated outdoor swimming pool for practice purposes. A new pool, begun in 1939, was blasted out of bedrock in a pine forest, and from sheer wilderness became the scene of aquatic contests with facilities to seat 10,000 on-lookers. These are only a few examples of the modern playing fields and arenas sports-minded Finland built for the various matches. They spared nothing to achieve perfection for what proved to be the most sensational of all Games.

With the thousands of visitors, Finland faced a real housing problem. But Helsinki solved this poser. The Olympic Village for men consisted of fourteen units patterned after modern apartment houses. The main section contained 1,181 rooms and two others had 212 and 277 compartments. This was for the athletes. And every private home was hospitably thrown open to non-competing visitors.

Food presented another problem, but arrangements were made to increase imports from neighboring countries. Dutch producers and businessmen have offered fifty tons of fresh fruit for contestants, and Finnish vessels transported the fruit from the Netherlands. And the food in general, everybody agrees, was wonderful.

There were hundreds of guides and interpreters to accommodate visitors. The press relations were perfect. There wasn't a flaw in the arrangements for the greatest of all Olympics, staged by the smallest nation which has in years handled this mighty chore. Finland deserves a wreath of wild olives, or a gold medal, or whatever it is Olympic champions receive.

Your comments and suggestions for this column will be welcomed by Elmer Ferguson, c/o Calvert House, 431 Yonge St., Toronto.

MONTREAL.—There is such wonderful variety in our native fruits, clear through to October. No wonder they please everyone, and no wonder everyone in the family loves the jams and jellies you do down with those fruits...when you use CERTO FRUIT PECTIN. Those jams and jellies will be perfectly set...full of rich, fruit-fresh flavor. Results with Certo are always so sure. You need only follow the simple recipes in the booklet, under the label of each bottle of Certo. And you'll save yourself so much time and effort! With Certo, you can do down jams and jellies in 1/3 the time of the former long-boil method—and get up to 50% more jars from the same amount of fruit.

**Laugh And The World Laughs With You**  
Cry and you cry alone. It's an old, old saying but forever true! So, remember, next time you're feeling bluer than a rainy day, you should (and can!) do something about it. A glass of sparkling SAL HEPATICA taken before breakfast will make you feel like a new woman. And when hubby or son isn't feeling just right, either, suggest they try Sal Hepatica, too. Did you know that it's been a faithful family laxative for over sixty years? Umhmm... And another beauty about Sal Hepatica is that you can use it safely merely as a "refresher" in the morning—or at night when your system feels the need of a more thorough remedy. Next time you see your druggist, ask him for Sal Hepatica.

**Paul It's Later Than You Think**—Fall is all but here and winter won't be far behind. Yes, time's a-flying, but it's still not too late to arrange a Coal Loan to ease the strain of paying for your winter warmth. Now's the time to buy your coal—before prices get any higher—and the BANK OF MONTREAL is ready to help you pay for it with a Coal Loan. So, if you've been "putting off" coal-buying, don't wait another day to see about a low-cost BoM Coal Loan. Talk it over with your husband and then pay a call on the manager of your nearest branch of "My Bank". With his assistance, you can have all your coal delivered at once, without having to pay for it at all once. You can spread out your loan repayment over as many as seven easy instalments. That's what I call a real help to a busy budget!

## Advertising Saved \$3,000: Question Proposal Combine Work Of Clerk And Assessor

In the manner of an old schoolmaster gathering a group of successful senior pupils together, to praise them for special achievements, Mayor Rose blew verbal kisses to his councillors for what he described as the "high calibre of the debate on meters". These encomiums applied also, of course, to Councillors Corbett, Jones and Murray who opposed meters.

We wish we had the mayor's gift for saying all those "nice things." It is an art that we must somehow learn to acquire. There are all sorts of oils and balms for the easing of pains in the legs, and belladonna plasters for lumbago pains in the back. But you have to be a master of words to soothe troubled breasts; and Mayor Rose has all the skill of a political virtuoso for such occasions.

We wish we had his commendatory gift. Instead, we are mild and rather timid. Some people, however, apparently think of us as an embittered old man, leaning on his cane and fuming at the world around him. The truth is far different. We enjoy the world and are very happy in it. We don't always agree, however, with opinions we hear. And in not agreeing with them we say so. And there's the rub!

**We Did Agree**  
We did agree with what Mayor Rose said in regard to the meter debate. If every discussion in council were carried out with the same clarity and conciseness, business would be a cinch. Each member of council knew what he wanted in regard to meters and said so. Some had changed their former opinions, as they had a right to do. But they knew what they wanted when voting time came and said so.

Councillors Corbett, Jones and Murray have been consistently opposed to meters, and that is how they voted. Reeve Cook has changed his opinions of a year ago and came out strongly in support of meters. Meters are now established in Aurora "for keeps". We hope they will prove of permanent benefit to the town.

As for a vote of the people, there was no time left for this. The meter company declined to grant an extension of time for the taking of a vote. Thus council was compelled to make a decision. As we stated in our council report of last week, all members, with the exceptions of Councillors Corbett, Jones and Murray, voted in favor of meters. And there the matter ends.

**Saving of \$3,000**  
At a previous meeting of council some members were willing to accept an estimate of \$8,480 for the installation of sanitary sewers on Kennedy St. W. This estimate had been reduced from more than \$10,000 submitted in the previous year.

Some members argued that the \$8,480 estimate could not be bettered and were anxious that the work be proceeded with. Councillors Davis and Murray were of a different opinion and pressed that advertisement asking for tenders be inserted in the newspapers. This was done and the small expense incurred in advertising was fully justified. Three tenders were submitted for the work. One was for \$8,480, another for 5,643, and finally the one that was accepted, at \$5,081.

The contractor submitting the lowest tender was the J. Rosa Company, of Pickering St. Toronto, and this contractor secured the work. Had the first estimate been accepted the town and property owners would have had over \$3,000 more to pay (the work being done under local improvement) than will now be the case. It certainly pays to advertise.

**Yonge St. Improvements**  
A special meeting of council will, it is expected, finally consider the go-ahead on the much-needed improvements to Aurora's Main St. The subject has been debated for years. If the work is now proceeded with, as seems likely, it should not be forgotten that Councillor D. J. Murray deserves full credit in the matter.

Some weeks ago Deputy-Reeve Murray mentioned the subject, but took the view that it was then too late to do anything this year. He was of the opinion that the best they could do was to gather data for the 1953 council. Councillor Murray secured an appointment with the local pro-

vincial member, Mr. MacKenzie, through whom he obtained an interview with the deputy-minister of highways. Other members of the Streets committee being unable to accompany Mr. Murray, he took the town foreman, Jim Goulding, along with him.

The interview resulted in the highway being surveyed the same week by an engineer from the department, and from this live-wire activity on Mr. Murray's part the present progress has eventuated. Even those who formerly feared the possible loss of "the town's autonomy" over the highway, appear now to be sold on the idea of putting the Main street in shape, with the financial assistance of the department of highways.

Other members of council appear to be keen on the improvements. If and when these are carried out it should not be forgotten that the man who put life into the whole matter, as he did in obtaining a \$5,000 grant for the arena by personal application, was Councillor D. J. Murray.

**Special Meeting**  
There have been no special meetings of council held this year until Friday evening, Sept. 12. Further to this, there have been no sittings beyond midnight with one exception only. The business of council, as we have previously mentioned, has been carried forward with commendable expedition.

The special meeting on Friday night was concerned chiefly with the appointment of an assistant town clerk, to replace Mrs. Diamond who resigned, and to decide on the highway projects. We believe Mrs. Diamond liked the work very much and would have continued with it had she received from the finance committee the monetary encouragement she felt was her due.

She was appointed at \$35 per week. Our impression is that an increase of \$5 weekly was budgeted for Mrs. Diamond. This she did not get. She did, however, get an increase, on the town clerk's recommendation, of \$2.50 per week as of July 12. Mrs. Diamond's predecessor had \$40 per week. The work had increased, not lessened, during Mrs. Diamond's service.

That Mrs. Diamond was a capable and efficient assistant was pointed out on Friday night, when Councillor Murray re-taken full charge of the office during the town clerk's two weeks' vacation and on a later occasion for three days. Certainly, her work which we have seen was of an excellent character.

**Too Hasty**  
The applications from Miss Helene Homar, Mrs. Ada L. Jarvis and Mr. Norman H. Brett received only brief consideration. We have nothing whatever to say except the best of what we know of Mr. George Wilkinson. He is personally very likeable. He's 29 years of age and had been employed in municipal work in England since the age of 16, less some time spent on active service.

But personal likings cannot and should not influence our opinions on matters of public policy. Our opinion is that council acted with too much haste in making an appointment without interviewing other applicants and considering their suitability for the work of assistant clerk. That appeared to be the view of Deputy-Reeve Murray, who wanted the applications deferred. Councillors Corbett and Murray were opposed to the immediate appointment of Mr. Wilkinson, purely on grounds of policy.

However, Councillors King and Tucker presented council with an ultimatum in the form of a motion for Mr. Wilkinson's appointment not only as assistant town clerk but also as assessor. Councillor Murray objected on the grounds that such a dual appointment was not legally in order, as Mr. Wilkinson was still at work as assessor. At the mayor's suggestion the motion was amended to the appointment of Mr. Wilkinson as assistant clerk and this was carried by majority vote.

The new assistant town clerk will receive the same salary as the town clerk and this appears to us extremely anomalous. In these circumstances it would appear that the town clerk is due for an immediate raise. On grounds of public policy, we repeat our opinion that the appointment was made in too much haste. The other applicants should have been seen and heard. That course would have avoided any suggestion that may arise of the appointment being a "planned job." It would have been fairer to Mr. Wilkinson himself.

### ZONING BY-LAW

The revamped zoning by-law has been considered in committee but it has not so far come before open council. It has been on the books since 1950. Council time and planning board time spent on it have cost the town of Aurora a lot of money. It appears to be still costing the town plenty.

We have been looking over the new draft. It does not appear to be fundamentally different from its predecessor. The old draft ran to 15 typed pages. The present one is abbreviated to 12 pages. Trimmed and purged as it may be, it still suggests the old hunch of trouble.

Here is one sentence on page one of the revamped draft that appears on page one of the much-debated earlier draft: "ACCESSORY, when used to describe a use, building, or structure, means a use, building, or structure that is naturally and normally incidental, subordinate, and exclusively devoted to a principal use, building, or structure, and located on the same lot therewith."

The sentence quoted is about as lucid as most of the other sentences contained in the 12-page typewritten sheets; and anybody who can grasp the sentence quoted, and fasten it down to an intelligible meaning, should have little difficulty with the mass of other cross-word puzzles which comprise "a plan of the planning area of Aurora," prepared by the planning board of the town of Aurora.

Here is another sentence on page 2: "PRIVATE GARAGE shall mean a building used to shelter and store private motor vehicles, but not used to service motor vehicles for a compensation." Could this mean that if you have an empty garage and want to rent it for \$5 monthly you won't be able to do so if the zoning by-law is passed? The item is merely incidental to the whole.

### WELCOME BUT BELATED

At its special meeting on Friday night, September 12, the town council, with Mayor Rose presiding, made two important decisions. One of these will be hailed, we believe, with general satisfaction. The other may create considerable adverse comment.

The decision to proceed with the widening and other improvements of Yonge street is as welcome as it is belated. Councillor D. J. Murray brought proposals received from the deputy minister of highways before council in June of this year. It is only now, about midway in the month of September, that they are being acted on. The delay, as Mr. Murray pointed out, will mean mud on the highway in the winter and spring.

This work is, however, now decided on, and when it is finished the main street of Aurora should be one of the best business and shopping areas for miles around. When the work is completed it will give Aurora one of the best face-lifts in its history.

### CREATING A PRECEDENT

The circumstance that is open to criticism is the appointment of an assistant town clerk on a presumptive basis that he will later receive a contingent appointment as town assessor. As assistant town clerk he will receive a salary of \$50 per week. During the assessment period of approximately from April to the end of September he will forego his salary as assistant clerk and assume a salary of \$55 as town assessor.

Mayor Rose and Reeve Cook strongly supported this proposal, and received support from some other members of council, on the grounds that it would save the town money. Emphasis was placed on the applicant's training and testified qualifications and his desire to remain in Aurora. With the latter we have no quarrel.

What we do question is the wisdom of employing any one man in two essential and important capacities. An assistant town clerkship is one capacity; an assessor is another. It could be that the two capacities have been amalgamated somewhere or other. But we have no knowledge of such an event. As far as we know the Aurora town council, except for Councillors Corbett and Murray, are proposing to create a precedent.

If and when this dual arrangement should eventuate, town clerk K. G. Moses will have another problem on his hands. He will have to train a new assistant town clerk who will be employed on a meter basis. When the time limit is reached, and the town assessor is ready to return to the job of assistant clerk, Mr. Moses' pupil will have to quit. This coming and going could go on for years ahead! In any case, six months is little enough time in which to train anyone for the job of assistant clerk.

We may be wrong; but to us the proposal seems crazy. This town is so badly in need of equalized assessment that a tough specialist is wanted for the job. Meanwhile Mr. George Wilkinson will be the assistant town clerk when his duties as assessor are over at the end of the month.

## COUNCIL REPORT

### Asst. Town Clerk Appointed Following Lengthy Discussion Go-Ahead On Highway Project

A special meeting of the town council was held on Friday night, Sept. 12, with Mayor Rose in the chair and all members present. Highlights of the meeting were the appointment of a new assistant town clerk, Mr. George Wilkinson, the town assessor, and a decision to go ahead with the widening and improvement of the main street.

#### By-Laws

Three by-laws were introduced by Councillor King. The first of these covered the new water rates for private and commercial uses; and the second was in connection with the public school debentures. The third covered the highway projects.

The new water rates, approved on June 16, are \$1.50 for one tap, and \$4 for complete household service, per quarter. Commercial rates have been increased to \$13.81-3 per 1000 gallons up to 50,000 gallons.

#### Asst. Town Clerk

Four applications were received for the position of assistant town clerk, made vacant by the resignation of Mrs. Diamond. One of the applications received was from Mr. George Wilkinson, whose duties as town assessor will terminate at the end of the present month.

Other applications were from Helene Komar, at a salary of \$35 weekly; Norman H. Brett, \$40 weekly; and Mrs. Ada L. Jarvis of Newmarket, at a salary of \$35 weekly.

Mr. Wilkinson requested the dual positions of assistant town clerk and assessor. Half of his time would be spent at the town hall and the other half in the capacity of town assessor. He requested \$50 per week as assistant town clerk. While performing the duties of assessor he asked for \$55 per week, his salary as assistant town clerk being then in abeyance.

Mayor Rose and Reeve Cook strongly supported the application from Mr. Wilkinson, pointing out that he had very high qualifications.

Councillor Corbett opposed. He said he would like to see a veteran holding the position.

Councillor D. J. Murray also opposed. He said he liked Mr. Wilkinson personally and had no doubt of his abilities. He did not think, however, that the two positions should be combined. He paid tribute to the work of Mrs. Diamond, who, until recently, had carried out the duties of assistant town clerk at \$35 weekly, having lately received an increase of \$2.50 weekly.

A further point made by Councillor Murray was to the effect that so far the assessor has not turned in his assessment roll. "We have no means of knowing whether or not the assessor has done a good job on the assessments, for we have not yet seen his work. He may have done a fine job," he said, "or a poor job. We still have to find all this out."

Councillors Jones and Tucker considered the appointment of Mr. Wilkinson for half of the year as assistant town clerk and the other half as town assessor would save the town money. "You will get continuity in the work of assessment," Mr. Tucker maintained.

Deputy-Reeve Murray said equalized assessment was badly needed in Aurora. He suggested that the applications be held over for further study and the appearance before council of the several applicants.

#### Motion Submitted

At this point Councillor King rose to propose a motion, seconded by Councillor Tucker, that Mr. Wilkinson be appointed assistant town clerk and assessor.

Councillor D. J. Murray said that such a motion was not in legal order. "The by-law appointing Mr. Wilkinson as town assessor has not yet terminated and you can't possibly give him a similar appointment until the by-law expires," Mr. Murray said.

Mayor Rose suggested that the motion be worded to appoint Mr. Wilkinson assistant town clerk.

Councillor King then moved, and Councillor Tucker seconded, the following motion: "That Mr. Wilkinson be employed as assistant clerk at a salary of \$50 per week when his duties as assessor are completed and the seal of the corporation be attached hereto."

The motion was supported by Mayor Rose, Reeve Cook, Deputy-Reeve Murray and Councillors Davis, Jones, King and Tucker. Opposing were Councillors Corbett and Murray.

#### Highway Projects

Further to the reports we gave

last week of the proposed widening, resurfacing and other improvements to the town highway, Reeve Cook told council of interviews he had had with representatives of the municipal branch of the department of highways.

He had also had an interview with the minister of highways and there seemed no reason for further delay in proceeding with the work. A by-law had been prepared for the covering of the estimated cost of \$80,000, half of which sum would be met by the provincial government.

A motion by Councillor King, seconded by Councillor Corbett, was then introduced and discussed and finally the by-law was given a third reading, authorizing debentures for the amount required.

Councillor D. J. Murray, taking part in the discussion, said he was glad that at last council had made up its mind to proceed with the work which he had recommended as far back as the month of June, following his favorable interview with the deputy-minister of highways. "We had the go-ahead, then," said Mr. Murray, "and he was puzzled over the cause of the delay that had happened."

Deputy-Reeve Murray said that council didn't seem to take much interest in the projects and he felt it better to let the matter simmer.

Reeve Cook said that appropriations for such costs should have been made by February 28. A representative of the municipal branch of the department had informed him that the authorization of costs would have to come from a higher authority. Further, said the reeve, the situation had only been clarified by the report of the engineer, Mr. Reckert, when he came before council in July.

#### "Not Satisfied"

Councillor Murray insisted that he was still puzzled why the matter having apparently gone dead was so suddenly brought up. "The word of the deputy minister of highways should have been good enough for this council," maintained Mr. Murray, "and all that has been said here tonight on costs being subsidized was given in my report to council in June."

Mr. Murray said he was concerned that the delay in getting on with the work would leave the street cluttered up with mud in the winter and spring, causing considerable inconvenience. He regretted the delay.

Deputy-Reeve Murray said he had always been anxious to get on with the work but, as he had said previously, council didn't seem too keen about it. He felt that in now deciding to proceed with the work they would have the town behind them. He thanked council, as chairman of the streets committee, for the decision now made.

#### Rink Front

Chairman of the property committee, Councillor Corbett, said that the front of the rink needed attention. He was given authority to proceed with the work of bulldozing and graveling the area and to put it in order.

Council rose at 10 p.m.

St. Peter is the patron saint of locksmiths because he holds the keys to heaven.

### NOTICE TO CREDITORS AND OTHERS IN THE ESTATE OF GEORGE A. BURROWS

ALL persons having claims against the estate of George A. Burrows, late of the Township of Whitechurch, in the County of York, Farmer, who died on or about the 5th day of May, 1952, are hereby notified to send in to the undersigned on or before the 2nd day of October, 1952, full particulars of their claims, after which date the undersigned will distribute the assets of the deceased, having regard only to the claims of which they shall then have notice.

DATED at Aurora the 4th day of September, 1952.  
Elsey Burrows, Executrix, by her solicitor, Lorne C. Lee, Aurora, Ontario.

## Old Document Describes The Gift Of Land For New Road A Write-Up Pleases Readers

Roads are in the news just now. We have been reading an old document relating to a new road that was proposed in the year 1835. That was one hundred and seventeen years ago. Too lengthy to quote in full, the following extracts from the document give the gist of it.

"Certain freeholders of the township of North Gwillimbury and Georgina in the number of 12 and more having represented to me that it is necessary for the convenience of his Majesty's subjects and others that a road should be laid out and opened commencing at the public highway near the front of Lot 24 in the second concession of North Gwillimbury to run thence in a northeasterly direction to the public highway, thence northerly to the Lake Shore, thence in a northeasterly direction as near the Lake Shore as the nature of the ground will admit, to the boundary line between the township of North Gwillimbury and Georgina.

"I have examined the place and do find that it is necessary for the convenience of the public that a road should be laid out and opened agreeable to the re-

### NOTICE TO CREDITORS AND OTHERS IN THE ESTATE OF ANNE RICHIBELL

ALL persons having claims against the estate of Anne Richibell, late of the Town of Aurora, Widow, who died on or about the 31st of July, 1952, are hereby notified to send in to the undersigned on or before the 2nd day of October, 1952, full particulars of their claims, after which date the undersigned will proceed to distribute the assets of the deceased, having regard only to the claims of which they shall then have notice.

DATED at Aurora the 4th day of September, 1952.  
Mildred H. Graham and Elleen Hughes, Executrices, by their solicitor, Lorne C. Lee, Aurora, Ontario.

## King City And District

Mrs. Laura Kolling, Phone 8, correspondent

### Regional Secretary Speaks

At a meeting of St. Andrew's Presbyterian W.M.S. at the home of Mrs. Whitley Finch on Sept. 10, Miss Ruby Walker, regional secretary of Toronto West Presbyterian, was guest speaker. She gave a picture of the various types of work sponsored by mission societies among the Chinese at Sault Ste. Marie and Sudbury, the Indian reserve schools in western Canada, the port work on the east coast, and all fields where the W.M.S. serves. Readings were given by Mrs. Finch and Mrs. Wm. Willoughby. Mrs. C. A. Black presided.

Introducing the study of missions in Africa, Mrs. Harry Ratcliffe described the features of the continent.

Mrs. C. H. Stewart took the worship service on the theme "Stewardship". Mrs. M. R. Jenkinson, the president, returned to her office after a rest and chaired the meeting held at the home of Mrs. James Patton.

It was arranged to have Mrs. G. E. Howe, president of Toronto Centre Presbyterian, as guest speaker at the thank offering meeting on October 9, to be held in the church basement, Maple, Richmond Hill, Weston, Lasky, Temperanceville, and groups from the Presbyterian, Anglican and Baptist congregations will be guests at that time.

### Fire Side Well Attended

An enjoyable fireside gathering followed the evening service at King United church on Sunday evening when the congregation and friends met in the church basement for a social hour. The W.A. was in charge, arranging a singing of familiar hymns and two piano solos by Roy Robson, Mr. and Mrs. Adam Davidson and daughters, Rosemary and Heather, and Mrs. Norman Wade were introduced to the assembly. Miss Mildred Mackey and her sister, Earlene of Willowdale, were there as guests of Miss Annie McBride. Refreshments were served by the auxiliary. It is the intention to hold fireside evenings once a month during the fall and winter season.

Teston United church service will be withdrawn on Sunday morning, Sept. 21, due to the anniversary service at Hope United church when Rev. Dr. Archer Wallace of Maple will preach and the Christian Business Women's Choir of Toronto will sing. All Saints' Anglican W.A. re-opened activities at a session of the auxiliary held at the home of Mrs. Harry Cunningham this afternoon (Thursday) after closing in July and August.

### Victor Home Address

Mrs. Robertson of Toronto will represent the Victor Home for Girls, as special speaker at the Woman's Auxiliary meeting of King United church, on Tuesday, Sept. 24, at the home of Mrs. H. G. Ratcliffe at 8 p.m. It is an open meeting and everyone is welcome to attend. The roll call will be answered by W.A. members by donation of a gift for the Home.

In the interests of the Presbyterian Yorkville Home, Toronto, donations of fruits and vegetables from Eversley W.M.S. are to be left at the home of Mrs. T. L. Williams by the end of October. This annual project, has been carried out by the society for a number of years. Home gardens have produced abundantly this year and home canned fruits, tomatoes and pickles will be gratefully received by the Girls' Home.

### Cedar Brook Picnic

At Cedar Brook, in the Windass flats, 6th of Vaughan, St. Andrew's Presbyterian Sunday school and congregation had a jolly picnic on Sept. 6. The games program was arranged by Miss Zelta Hollinshead and Mrs. Donald McCallum. Prizes were given to all children and a softball game was staged between two pick-up teams, "both winning and neither losing", so they say. Some of the gentlemen pitched horseshoes until a sumptuous supper was served by the ladies.

Very successful anniversary services were held at Second King Baptist church at Pottageville last Sunday afternoon and evening when Rev. H. E. Lewis, minister of Bethel Baptist church, Toronto, was guest preacher. Mrs. Baxter, a sister of Mrs. Ward Cook, sang two solos and with the church choir composed the afternoon music. In the evening, Schomburg United choir supplied special music.

Emmanuel Baptist church, Kettleby 5th line, will observe Harvest Thanksgiving services on October 12 when Rev. Jerry Zeman, a Czechoslovakian, by birth and education, will preach. Bethel Baptist at King City held a corn roast, attended by over 40 adults and children, at the home of Britton Riddell last Saturday night. It was a perfect night and the huge bonfire lit from pine stumps and pieces of hardwood climbed to a great height, burning for hours. Boiled corn from the Riddell garden, winners and rolls, and marshmallows were served, interspersed with singings.

Freda Dent Models in Display. Miss Freda Dent was one of 42 junior councillors of the T. Eaton Company to model in a fashion parade at the College St. auditorium last Saturday fore-

noon, when their representatives from Toronto and district high schools staged the teen-age annual event.

### Change in Mail Delivery

Mrs. W. F. McDonald, King postmistress, has been informed by the district postal inspector that starting Oct. 1 newspapers and first class mail for King post office will be brought from Toronto to Oak Ridges early in the mornings and a local courier will transport it to the office. The opening hour of the local post office will not be altered, remaining at 8.30 a.m. This is described by the authority as a temporary arrangement. It is hoped that the system will relieve rural couriers of waiting for the mail train from Toronto in the mornings. No out delivery by truck has yet been arranged. All second and third class mail will come to King by C.N.R.

### Kingcrafts

Mr. Bonnie, general manager of the Canadian International Hobby and Homecraft Show, will address Kingcrafts on Wednesday, Sept. 24, at the general meeting at the home of Lady Flavell, 7th line, at 2.15 in the afternoon. Mr. Bonnie will be able to tell of the show that is being planned for February, 1953, in Toronto's coliseum. It was Mr. Tisdall of this organization who was so impressed with Kingcrafts sales last June and the quality of work done by the crafters.

### Scene of Hunt

A large number participated at Toronto and North York Hunt last Saturday morning held at the W. J. Pearson farm, Snowball. Unfortunately, Mrs. Pearson was not able to participate as she is confined to her room following her accident at Sutton Horse Show this fall, her condition being reported fair.

Lady Eaton rode her hunter from Eaton Hall farm to the scene. Lunch was served by Mrs. Jarvis at Yonge St. On Saturday, Sept. 20, the hunt will be held at the corner of the 2nd concession of King and the Woolnough sideroad, at 7 o'clock in the morning, and at the same hour on Wednesday, Sept. 24, at Snowball. So far the weather has been ideal for the sport and enthusiasm has been maintained at a high level.

### Forty Years Married

Mr. and Mrs. Leonard J. Glass, Strange, were wedded 40 years ago on September 11. It was in 1912 that Elsie Mary Scott and Leonard Glass were united by Rev. Keen, minister of the then Lasky Methodist church.

Before 30 guests the ceremony took place at the home of the bride's parents, Mr. and Mrs. James T. Scott, at their home on the fifth concession, south of Kinghorn corners. The only attendants were Nora Neill, niece of the bride, Mrs. Arthur Caldwell, the little flower girl, and the ring-bearer, Pearson Smeltzer, nephew of the bride.

Her sister, Emily (Mrs. John Ash) sang "Because". The groom's parents were not at the wedding because his father, Daniel Glass, was very ill.

Mr. and Mrs. Glass settled on the old Jenkins' farm on the sixth line, which became the home of their son, Bob, a year ago when Mr. and Mrs. Glass moved to their other home near the Barrie highway at King sideroad. They retired last year.

Last summer they made a trip to the west coast to see Mrs. Keffer, aged sister of Mr. Glass. This summer they took a motor trip to the United States, and last weekend were guests of Mrs. Frank Marshall at her summer cottage at Brock Beach, Wasaga.

To celebrate the wedding anniversary, the family of Mr. and Mrs. Glass gave them a surprise party at their home, presenting them with a leaf-shaped pottery centrepiece. In two shades of green. There was also an anniversary cake.

Congratulating their parents Dorothy, Edith Cairns and husband Clyde, who celebrated their twelfth wedding anniversary on Sept. 12. Bob Glass and his wife Joyce, married five years on Sept. 20; Ray Glass of Queensville and wife Audrey married three years, Sept. 8. The family circle is completed by five grandchildren. Rev. and Mrs. Jenkinson also attended the nuptial anniversary.

Mr. and Mrs. Glass have long been interested in the community of Lasky and Strange. She was president of St. Andrew's Presbyterian W.M.S. many years ago, and head of Lasky W.M.S. in 1925 and 26. She is one of the Institute's keenest workers while Mr. Glass was a former trustee of S. S. 4, secretary-treasurer of Lasky church for 15 years and was president of the King U.F.O. years ago. He has been connected with the federation of agriculture for years and is now president of the King branch. He is also a trustee on the manse board for his church.

A bus load motored to Sol-

finals. King lost 14 to 7.

### Davis Children at School

When Ralph and Timothy Davis became pupils at Kinghorn on September 2, they enrolled in the school originally built by their great great grandfather, David Johnston of Kinghorn. It is where their great grandmother, Mrs. E. J. Davis (Margaret Johnston) taught school before she became the bride of the Hon. E. J. Davis. It is the same school where their grandfather, the late Aubrey Davis, his brothers and sisters were pupils.

The sons of Mr. and Mrs. Bruce Davis, the boys and their two elder brothers, are the fifth generation of the family to live at Kinghorn at Memory Acres, the Davis homestead. While the home is not quite completed, Mr. and Mrs. Davis and the two boys moved in before school opened. Sheila and John Collins, whose father is employed by Mr. Davis, are also Kinghorn pupils and will live at Memory Acres when their apartment is ready.

### Teachers Meet

At a meeting of King Township Teachers' Association at King school on Friday afternoon last week, many new faces were seen. The newcomers were introduced by Mr. H. A. Galpin, school inspector. Among these was Miss Betty Climpson from Baldwin, teacher of Strange school. She was with an ex-teacher, Mrs. Alfred Gillham with whom she makes her home. Others were: Miss Carol Norrad who came to Eversley school with two years' experience in her native province of New Brunswick; Mr. Elmer McFadden of Elmville, principal of Schomberg's two-room school; Mrs. Gladys Vandewater from Wellington, Prince Edward County, who returned to the profession to become the teacher at S. S. 11, Kettleby; Miss Samson, from Guelph, assistant at Nobleton where the junior classes are held in the rink; Mr. J. Neil Lathin who came from Newmarket to become principal of Oak Ridges, with Bert Leroy, Mrs. Margaret Hawkins from Gormley and Mrs. Graham from North Bay.

Discussion was held on the forthcoming public speaking contest. Teachers were asked to have candidates prepared for the township contest. This would be followed by the district competitions for winners, and later by the contest at the county council chambers in November. At Sacred Heart separate school, 120 pupils are enrolled under the principalship of Sister Mary Carmella while Sister Mary Imelda is new in high school, (grades 9 and 10). Sister Mary Tarsila, Miss O'Leary are the other teachers who have remained on the staff. Sister Mary Agnes Clare is the Mother Superior. Nine children from two Dutch families, who came to Canada this summer are new pupils at this school.

Crowd at King Ridge. With an open fireplace, pots of hot coffee, corn on the cob, toasted rolls and wieners, and iced tubs filled with pop, there was nothing missing at King Ridge corn and wieners roast on Sept. 16, held in the community park. Children made up 50 percent of the attendance and they were given prizes for racing early in the evening.

A dance platform provided accommodation for modern and old time dancing, with the music played by Gordon Thomas and Bill O'Reilly with guitars. Earl Greenwood, violinist, and Boyd Paton, Hawaiian guitar. Herb Parker and Frances Greenwood alternated as piano accompanists and Bill Cutting called the square dances.

This year a lighting system improved the event, sponsored by the Credit Union organization. Many came from Pottageville, Kettleby, King City and district.

### Air Trainees Home

Smartly attired in their air-force uniforms, Frank Deane and Bob Crook, training with the R.C.A.F. at Montreal, had their first home leave to King Ridge during the weekend. At the Deane home to see Frank were Ronnie Kirkwood, Mr. and Mrs. Allan Carson, Toronto, Mr. and Mrs. Frank Bulger and baby of Richmond Hill.

The monthly meeting of King City village trustees will be held on Monday, Sept. 29, in the Masonic hall at 8 p.m. Returns from Europe.

Miss Dorothy Armstrong returned from two months abroad on Sept. 8, after visiting the United Kingdom and Europe on a planned tour. She has resumed her piano classes at King, after her well deserved holiday, and resumed her duties as organist at First Avenue Baptist church, Toronto, on Sept. 7.

Miss Barbara Brown, who spent several weeks in England has returned to Eaton Hall farm. Another traveller who is back home is George Hatley Jr. and his friend, Pete VanNostrand, who went west for employment after high school closed.

Mrs. T. L. Williams addressed the W.M.S. of St. Paul's Presbyterian church at the home of Mrs. Albert Rutherford, Vaughan township, last week, speaking on the Union Jack and what its colors mean. She also mentioned the highlights of the monthly Presbyterian executive meetings.

Eversley Presbyterian W. A. and the W.M.S. meetings this month were held at the homes of

Mrs. Scott Bovair, 2nd concession, and Mrs. John Larkin, Oak Ridges. Mrs. Albert Jones presided at the W.A. when special arrangements were made to carry out the annual bazaar in November. At the missionary meeting, Mrs. Williams presided and after a program, members were urged to attend the west presbyterial rally in Toronto in October.

In King Memorial Library may be found The Silver Chalice, the 1952 choice of the Literary Guild. Written by Costain, it is highly recommended for interesting reading. A new selection of children's books will be found on the book shelves.

Mrs. Evelyn Green of Huntsville spent Sunday with her grandparents. Mr. and Mrs. Elias Brice. She was motored here by her friends, Mr. and Mrs. Rod Fleming, and went on to Toronto for a few days.

Letters from Mrs. Rhoda Faren tell of the wonderful time she is having in western provinces. She is making her headquarters with her sister, Mrs. Diceman at Yorkton, Sask., but has visited in Alberta and Manitoba. She will return home with Mr. and Mrs. Garnet Diceman of Teston early in October.

Dr. and Mrs. W. G. Grant are proud parents of their first child, Fraser William, born at Toronto General hospital on Wednesday, Sept. 3. Fraser is the Scotch family name and William is the father's and grandfather's name.

Mr. and Mrs. Mervin A. Wilson are expected home this week from a motor tour through the Maritimes and parts of the States.

Beverly Neill of Eversley, Eric Hadwen of Maple and Len Murray, Woodbridge district, left for Regina on August 31 to take a convoy of ten cars and a truck for delivery at Lajorde near Regina. The young men are remaining in the west to help with the harvesting. Beverly writes his parents, Mr. and Mrs. Howard Neill, that he is staying at the home of a very large family and is enjoying the experience as his first long trip away from home. The boys had

no travelling expense except their meals. They will easily earn enough while there to pay their expenses when they return home.

Mr. James Brown expects to be returned from York County hospital soon. He has been confined there with a fractured right leg, received when hit by a car on highway No. 11 near Holland Landing a couple of weeks ago. It is the same leg that was fractured a year ago. A builder by trade, Mr. Brown was working in the district when the accident happened while he was walking on the highway early in the evening. Mr. Lorne Brown of Langstaff, son of Mr. and Mrs. Jas. Brown, is in England having left home early in August. His wife and four-year-old son went to Birmingham in June because of the illness of her mother. Lorne has a position with the limb department at Sunnybrook hospital and is himself an amputee victim from World War 2.

Mrs. Frank Marshall of Strange entertained Mr. and Mrs. L. J. Glass at her cottage at Brock's Beach, Wasaga, during the weekend.

Miss Carol Norrad, new principal of Eversley school, spent the weekend with friends in Toronto. Miss Norrad comes from New Brunswick and makes her home with Mr. and Mrs. Howard Neill.

Garry Galloway has returned to his mother's home in Toronto after living as a ward of Mr. and Mrs. Fred Dent for the past six years.

A unique way of announcing a marriage to friends came from Mr. and Mrs. Mungo Nowell at Hillsburg last week. A folder carried an aerial view of the farm buildings. Beneath was a description of the wedding, the reception and the names of some of the out-of-town guests. The story also told of the special tour of the town made by the bridal party after the ceremony.

Mr. Peter Clark has received the birth announcement of a grandnephew at Souris, Manitoba, the son of Mr. and Mrs. Bert Clark. The baby is the only one in the third generation

to bear the family name. John and Jessie Urquhart Clark had nine daughters and four sons born in Scott township on the homestead. Of these Peter Clark is the only remaining child. His nephews are Bert of Manitoba and Russell of Toronto, the latter has no children.

Miss Lois McBride left to enrol in a home economics course at Guelph where she will spend a year. Recently the choir of All Saints' Anglican church presented Lois with a pair of pillow cases. On Saturday evening, she entertained a number of friends at her home, and for lunch on Monday entertained Mrs. I. L. Scott, Mrs. G. T. Thompson and Gail. Mrs. Harry McBride, her mother, and Mrs. Harold Hollinshead motored Lois to Guelph where the remainder of the weekend will be given over to friendship parties for the girls, supervised by the staff. On the following Monday morning classes will commence.

# "TOP PERFORMERS" ...on any job!

Regardless of what your hauling need may be, Chevrolet trucks are engineered to give you top performance in every way.

Let's look at power! Chevrolet gives you four great Valve-in-Head engines to choose from — the 92 HP Thriftmaster, 105 HP Loadmaster, 114 HP Torquemaster and the mighty 120 HP Workmaster. Each is "tops" in its class for rugged, economical power.

Let's look at features! Chevrolet trucks offer you every feature you need to carry the load and haul the load safely, dependably and economically. Frames, springs, axles, recirculating ball steering and transmissions are engineered and built to unsurpassed standards of excellence.

Above all, let's look at value! Check the comparative values of Chevrolet trucks and you'll see for yourself why Chevrolet gives you more for your money. That's why more truck users buy these "top performers" than any other make!
